TOWN OF KENSINGTON - MEMORANDUM

TO: COMMITTEE OF COUNCIL
FROM: GEOFF BAKER, CHIEF ADMINISTRATIVE OFFICER
SUBJECT: LIQUOR LICENSE LETTER OF SUPPORT REQUEST – A&R ADVENTURES INC. ON BEHALF OF BARNONE BREWERY – 49 BROADWAY STREET NORTH
DATE: 2018-05-25
ATTACHMENTS: REQUEST LETTER

Please see the attached request from A&R Adventures Inc. (on behalf of Barnone Brewery) requesting Town Council's support for a Special Premises and Retail Outlet liquor license for their property located at 49 Broadway Street North (The Old Anchor – former Coulson Realty Building). It is indicated in the request that Barnone Brewery will be leasing the former fish market/pub space located within the building. I am informed that food service will continue from the location and the hours of operation will be daily from 11 AM to 3 PM with Thursday to Saturday operations from 11 AM to 8 PM.

A letter of support is required from Town Council to enable an application to the PEI Liquor Control Commission (PEILCC).

Recommendation

It is requested that Committee of Council authorize and direct the CAO to draft a letter for Barnone Brewery to the PEI Liquor Control Corporation supporting their intended operation of a retail outlet (growler filling station and to sell Barnone and other manufacturers product) out of a property located at 49 Broadway Street North.

RE: Shanty liquor license

We are writing this letter to the Town of Kensington for your support to allow our Shanty to apply to the PEI Liquor Commission for the following licenses under the name of Barnone Brewery:

1. Special premise license
2. Retail outlet license

Although we have a special premise license now, we will be requesting it be cancelled due to the following change in business direction.

We have partnered with Barnone to have a growler filling station at the Shanty and to sell Barnone products under the Retail Outlet License. For this to happen, Barnone will be leasing the Shanty going forward. The license applications to PEILCC will be made by Barnone Brewery.

We require your approval to make application to the PEI Liquor Commission. This is a time sensitive issue so that we may open at the earliest possible time in June.

If you do find that you can support our request, Please issue a letter to Barnone Brewery in support of our applications to the PEILCC.

If you require further information, please contact Paul at 836-4043.

Thanks for your assistance.

Dear Members

Your FCM Board of Directors is taking steps to propel local governments to new heights through Federal Election 2019, and the crucial months following. This needs to be our biggest effort ever. That's why, in March, your Board approved a Special Advocacy Fund to help make that happen.

As you know, FCM has a long track-record of delivering gains for municipalities, like the permanent Gas Tax Fund. Starting with Election 2015, we've shaped game-changing investments in local priorities like never before, and we've achieved new levels of influence for local governments. Now more than ever, all federal parties understand that local solutions tackle national challenges.

Our Election 2015 breakthrough has created new opportunities, and new expectations. To seize this moment — and to build on our historic gains — we need the right tools. We can't risk seeing federal parties move on from local priorities. Election 2019 is our vital opportunity to make municipal progress "the new normal," and to keep our priorities front-and-centre for years to come.

Enclosed you'll find more information about the Special Advocacy Fund, as well as your municipality's voluntary invoice. As the order of government closest to daily life, Canadians count on us to build more vibrant and livable communities. This is our moment. With your support, we can continue to deliver.

Seizing Our Moment, Securing Our Future

FCM's Special Advocacy Fund

FCM delivers for municipalities

Starting with our Election 2015 breakthrough, FCM's hard work and influence has significantly shaped historic gains for local governments, including:

- ▶ The **Investing in Canada infrastructure plan** — a 12-year, \$180 billion federal investment in local infrastructure, from public transit to wastewater system upgrades.
- ▶ Canada's first-ever **national housing strategy**, including key commitments to repair and build affordable housing across the country.
- ▶ A strengthened **seat at the table**, including through unprecedented engagement with federal, provincial and territorial ministers, as well as with opposition leaders and the Prime Minister.
- ▶ A **predictable federal allocation model** for transit expansions that puts municipalities in the driver's seat.
- ▶ A \$2 billion **rural and northern infrastructure fund** — the biggest investment of its kind in a generation.
- ▶ Better access to **high-speed broadband** through the federal Connect to Innovate program and the CRTC decision to mandate universal broadband access.
- ▶ New **capacity-building programs** on asset management and climate change — led by FCM — as well as a new \$125 million capital investment in FCM's Green Municipal Fund.

Now we need to take the next step

▶ What is the **Special Advocacy Fund**?

The last federal election was a turning point that propelled municipal priorities onto the national agenda like never before. The next election is a vital opportunity to build on those gains. To ensure we have the right tools to seize this moment, FCM's Board of Directors has approved a 2-year Special Advocacy Fund. This fund is supported by FCM members using a fee structure similar to how membership fees are determined.

▶ What will the fund be used for?

The Special Advocacy Fund will drive FCM's largest and most ambitious campaign ever, reaching out to every federal party. It means an intensive, multi-faceted strategy that integrates polling, detailed platform development, sustained outreach, and an innovative communications and media plan. It means an extended campaign that keeps municipal priorities front-and-centre heading into Election 2019, as well as in the crucial first months of a new government.

▶ Is the fund **mandatory**?

The Special Advocacy Fund is voluntary, and not tied to FCM membership. However, it's a vital opportunity for municipalities to take our historic progress to new heights and to continue to deliver for Canadians the same way we always have — together.

"Our choice in the next federal election is simple: either we continue to move forward as local governments, or we fall back. If we get this right, we'll see federal parties competing to support municipal priorities. We'll see a federal government that understands why full partnership with municipalities is the only way forward. Election 2019 is our opportunity to make that happen. We can't leave anything to chance."

Don Iveson
Mayor, Edmonton, AB

"FCM has proven that it can deliver for communities of all sizes. We saw this in the last election, when our work put local issues on the federal map. We've seen it since then through the unprecedented federal investments that FCM has helped secure. Now we need to take this advocacy to the next level, to build our local priorities into the heart of the next government's mandate."

May 2018

To Town Council Members,

Remembrance Day, November 11th, is a significant day in the lives of many people within the town of Kensington and the surrounding countryside. There is a growing attendance at the Memorial Service at the Royal Canadian Legion and at the Cenotaph in Kensington. It is a time to honour and give thanks to God for those who lost their lives during wartime so that we benefit from the resulting freedom.

To respect these fallen soldiers, the Kensington & Area Christian Council asks the Kensington Town Council to close the Credit Union Center on November 11th until after 12 noon, each year. This would provide players, coaches, and parents the opportunity to take part in the Remembrance Day Memorial Service.

Thank you for considering this request. Hopefully, you, the Council, will make a decision regarding this request soon and people can be informed. This is important for the fall schedule preparations.

May God's Blessings be upon you.

Respectfully,
The Reverend Margie Fagan, *MV Fagan*
on behalf of the Kensington & Area Christian Council

Town of Kensington, Mayors Office

REEL TALENT SCHOOL OF DANCE

(Summerside or Charlottetown)

To Whom it May Concern;

I am writing to you concerning a sponsorship of 15 Island Step Dance students to participate in Dance World Cup taking place in Mont Tremblant QC July 6th - 9th 2018. Reel Talent School of Dance has a competitive team of dancers ranging in age from 8-21 who have garnered the craft of traditional Scottish Step Dance. The dancers take pride in their hard work, give of their time and talent, and enjoy sharing in this important Island tradition.

March 3rd-4th 2018 the competitive team took to the stage at Dance World Cup qualifier *5678 Showtime* dance competition held in Charlottetown. Dancers from across the Maritimes competed in several styles of dance over the course of the weekend. Reel Talent qualified in 10 events and scored the highest group, duo/trio, and solo marks of the entire competition weekend.

We are seeking financial assistance to pay for the costs associated with participating in the event so we are able to bring PEI Step Dance to the world stage. Among those costs are:

Travel: Bus Rental Approx \$5000-\$7000
Accommodations: \$900/Room Approx: \$7500-\$9000
Competition Fees: \$1600

These young ladies always conduct themselves with professionalism and decorum whether in competition or sharing the stage at an event. They are the perfect ambassadors for Prince Edward Island in their manner and their immense Celtic talent. I am confident they will be the best to represent PEI on the World Cup stage and that you will be proud to have help them do so.

Sponsorship packages are enclosed on second page however we'd love to work with you to build your desired package if they don't suit your needs.

Please see third page outlining selected awards and performances of the Reel Talent Dance Company.

Thank You for your time and consideration and please don't hesitate to contact me with any questions.
