Town of Kensington		
CAO's Report - May 2022		
Item #	Project/Task	Status
1	Xplornet Internet Antenna	NO UPDATE We have been informed that the antenna installation will begin in the Spring of 2022. There have been delays in securing required materials due to the COVID pandemic.
2	Official Plan and Zoning Bylaw 5 Year Review	A Town Hall Meeting has been scheduled for May 25, 2022 at 6pm at the Murray Christian Centre. A public survey has also been issued to garner feedback from the public. The survey can be accessed through the town's website and social media channels.
3	Business Park Lot Sales	Staff are currently working to close the sale of lot 21-26 (scheduled to close on May 31, 2022). Another lot is currently being negotiated.
4	Wastewater Treatment Plant Mechanical Upgrades	All equipment has been installed and is currently being used to control the plant. We are currently waiting to hear from Hansen's Electric on a formal commissioning date.
5	Anti-Racism, Inclusion and Diversity Strategy	No UPDATE Staff recently completed a six-week professional development opportunity on Inclusion and Diversity in the workplace. We continue to research potential policy and strategy development for the town. Staff recently completed a 'psychological safety in the work place' course offered through WCB. Mayor Caseley and I recently met with the Canadian Congress on Inclusiveness, Diversity & Workplace Equity around future professional development opportunities.
6	Police Study/Service Model Review	NO UPDATE I have begun to put together the formal implementation plan around the Policing Study that was completed in 2020. It is noted that a lot of the recommendations provided in the report have already been implemented, however no formal strategy was put in place at the time to inform Council on the implementation of specific items. I hope to have it completed over the next month or so, as time permits.
7	Barrett Street Sidewalk	The sidewalk and storm sewer system has been installed. Final grading is being completed and a general re-seeding of the grassed areas. Barrett Street will be re-surfaced as part of the project.
8	Town Hall Chair Lift	NO UPDATE A request was received from one of the tenants on the lower floor of the Town Hall requesting the Town's consideration of installing a chair lift at the Town Hall, to facilitate easier access for those with mobility issues. While no commitment was provided, staff have begun to research potential solutions, pricing, funding eligibility, etc. Thus far, I have met with the Provincial Elevator Inspector, the Provincial Fire Marshal's Office and a contractor. I expect to receive a contractor quote shortly for the installation of a lift appropriate for the Town Hall. I have also reached out to a structural engineer to discuss how a lift can be installed at the Town Hall.
9	Commercial Street/Broadway Street Intersection	NO UPDATE A meeting was held with the Department of Transportation on March 3rd. They continue to investigate potential solutions around this intersection. It was committed that we would receive potential solutions during the month of June however to date, no update has been provided.
10	Confederation Trail Road Crossings	NO UPDATE We are informed by the Department of Transportation that the requested Confederation Trail crossings will be installed in June, 2022 and may not be located at the exact points where the trail crosses the road. Users will however be directed to the crosswalk locations at the trail termination points. The Broadway Street North crossing may result in the removal of a parking space, which may have a positive impact on the Commercial Street/Broadway Street intersection safety issues. The Province committed to installing the lighted beacons as requested. The Province also agreed to the installation of lighted beacons at the school crosswalk which is also scheduled to be installed in June, 2022.
11	Kensington Business Park	AJL has completed the storm system through the Brown property. Road construction through the Brown property is expected to commence on Monday May 23rd. The mechanical and electrical has been completed on the lift station and commissioning is tentatively scheduled for June 14th. The generator for the Lift Station is still expected to be delivered before the end of May.
12	Broadway Street South Water and Sewer Main Extension Project	Design drawings are nearing completion. We intend on having a tender package ready to be issued by Friday May 27th.
13	Broadway Street South Sidewalk Extension	The design drawings are being completed for this project in conjunction with the Broadway Street water and sewer design. The sidewalk sections and Barrett Street intersection crosswalk was submitted to Province for review and minor comments were provided.
14	Relocation of Town of Kensington Signs and Speed Radar signs	The Public Works Supervisor and I recently reviewed the proposed new locations for three Welcome to Kensington signs (being the Barrett Street sign, the Summerside Road sign, and the Irishtown Road sign. We are currently awaiting contractor pricing for the relocation of the signs. Once the quotes are received staff will proceed with the relocations.
15	Kensington Wellfield Upgrades	A site meeting was held May 12 th with subcontractors, Prominent and Sansom representatives. Tests were conducted and it was concluded that the chlorine analyzer is working properly but recalibration of the pH probe would be required. Sansom has coordinated with Public Works staff to get the materials required for the recalibration. This should correct any of the issues we have been having with the analyzer.
16	Victoria Street East Sidewalk Extension	Contracts have been sent to the contractor (Curran and Briggs). It is still expected that construction will begin on June 3, 2022.
17	Electric Vehicle (EV) Chargers	Staff are currently working on a funding application to facilitate the installation of eight EV chargers throughout the Town. It is envisioned that four will be installed in the rail yards area, two at the town hall, and two at the Credit union Centre. The chargers will be pay per use. The funding program (through the Province of PEI) may fund the supply and installation up to 75%. It is anticipated that the funding application will be submitted over the next week or so.
18	QUAD Trax ATV Club	NO UPDATE I met with representatives from the QUAD Trax ATV Club on Tuesday, March 22, along with representatives from the Central Coastal Tourism Partnership and the Kensington Area Chamber of Commerce. The ATV Club are seeking ways to provide access to Kensington's core area. Further information will be provided as discussions progress.
19	Website	AN RFP was issued on May 6, 2022 and is scheduled to close on June 3, 2022. It is intended that a recommendation will be brought forward to the June 13th regular meeting of Town Council to award a contract to facilitate a new website design.
20	Dog Bylaw	NO UPDATE Staff continue to work on a new "Animal Control Bylaw" for the Town to replace the current "Dog Bylaw". Changes are currently being proposed for the Provincial <i>Dog Act</i> which may impact the timeline around the Town's proposed Bylaw.
21	Flag Repair and Replacement	The Flag replacement project was included in a recent funding application made to ACOA's Rediscover Main Street funding program. The flag replacement portion of the project includes the replacement of the flag pole at the Town Hall, the relocation of the flag pole at the gazebo area, and the installation of a fifth flag pole at the clock area. It is hoped that approval of the project will be received prior to the end of May.
22	Broadway Street South Sidewalk Replacement	Survey information was received from Locus on May 19th. The design drawings are being worked on right away.

Item #	Project/Task	Status
23	Parking Area Re-Surfacing	We are awaiting quotes to complete the re-surfacing of the town hall parking area. There are issues with an underground storm sewer line that will need to be replaced prior to the re-surfacing. Staff are researching options to facilitate the repair prior to proceeding with the resurfacing. More information will be provided as we progress. Once quotes are received and evaluated, a recommendation will be brought forward for Council's consideration.
24	Old Ice Surface - Asphalt Resurfacing	A contract has been awarded to Hynes Paving to facilitate the re-surfacing of the outdoor ice surface area. Approval was also given to proceed with the purchase of some skateboard furnishings and a basketball net, not to exceed \$15,000. The project is being funded through the Town's Canada Community Building funds.
25	KISH Tennis Court Upgrades	The wind breaks have been installed. An accessory structure is being constructed by students at KISH to house supplies such as pickleball nets, etc.
26	Unightly Property - 1 School Street	The property has been cleaned up sufficiently to negate any requirement for enforcement of the Town's Dangerous and Unightly property Bylaw. I understand the property is now for sale.
27	ACOA Main Street Revitalization Project	As indicated earlier in this report (see item 21) staff recently made an application to ACOA's Rediscover Main Street Funding program. The project applied for includes an expansion of the Summer Music Series, planting of additional gardens in the rail yards area, installation of shade sails, flagpole installation and replacement (various locations), additional banner flags for the rail yards area, expansion of the existing boardwalk for the installation of a local vendor stand and the addition of live wood carving demonstrations by local indigenous artists. The funding program will cover 75% of all costs associated with the project. We are hopeful to receive approval by the end of May.
28	Credit Union Centre Upgrades	An application was recently made, as per Council's direction, to the Invest in Canada Infrastructure Program to facilitate various upgrades to the Credit Union Centre, including the installation of a 100 kw solar panel system, replacement of the ice plant, installation of additional heat reclamation units, installation of LED lights over the ice surface, a complete replacement of the rink boards, glass and safety netting, installation of a water purification system, resurfacing of the parking area and painting of the entire facility (outside). We are hopeful for a quick turnaround on the funding approval to allow the project to proceed in 2022. Some project components, specifically the replacement of the ice plant, may have to wait until 2023 due to the inability to access materials.
29	PID 762559 - Bylaw and Official Plan Amendment	Town Council provided direction to proceed with the Bylaw amendment process. A public meeting is required to secure feedback from neighbouring property owners and town residents. Staff would like to tentatively set the meeting date for Wednesday, June 15, 2022. An email will be sent to the Mayor and Councillors to secure the date.

TOWN OF KENSINGTON - MEMORANDUM

TO: COMMITTEE OF COUNCIL
FROM: GEOFF BAKER, CHIEF ADMINISTRATIVE OFFICER
SUBJECT: HELLO RESTAURANT – LIQUOR LICENSE REQUEST
DATE: 2022-05-20
ATTACHMENTS:

Background

The owners of a property located at 88 Victoria Street West, operating as 102620 PEI Inc., have requested the Town's consideration of providing a letter of support for their application for a Dining Room and Lounge Liquor License. 102620 PEI Inc. intend on operating the property as a restaurant, that will be called 'Hello Restaurant'. 'Hello Restaurant', is proposed to be a Canadian/Indian infused restaurant. We are informed that the restaurant will operate 7 days per week and will close at 10 pm.

A letter of support is required from the Town to enable an application to the PEI Liquor Control Commission.

DINING ROOM

A Dining Room License authorizes the licensee to purchase liquor from the PEILCC and sell the liquor so purchased by the glass and beer and wine by the glass or open bottle with meals.

LOUNGE

Only a Dining Room License holder may apply for a Lounge License. A Lounge License authorizes the licensee to purchase liquor from the PEILCC and to sell the liquor so purchased by the glass and beer and wine by the glass or open bottle, with or without meals.

Recommendation

It is requested that Committee of Council authorize the CAO, through the following resolution, to provide a letter of support to 102620 PEI Inc. to support their application for a Dining Room Liquor License and a Lounge Liquor License for 'Hello Restaurant' operating at a property located at 88 Victoria Street West:

BE IT RESOLVED THAT Town Council authorize the CAO to provide a letter of support to 102620 PEI Inc. for their application to the Prince Edward Island Liquor Control Corporation for a lounge and dining room liquor license for their restaurant operation located at 88 Victoria Street West.

Kids Help Phone

May 3, 2022

Town of Kensington
PO Box 418
Kensington PE C0B 1M0

**You're breaking down
barriers so every young
person gets the specialized
support they need.**

Dear Friends,

It's just one word.

But gathering up the courage to type it into their phone might be the bravest thing a young person has ever done.

The word I'm talking about is "RISE", a special word chosen through feedback from Black communities and youth to best resonate with them. When someone texts RISE to Kids Help Phone, they're now automatically connected with a crisis responder trained to meet the unique needs of Black youth and their communities.

This is a huge step forward and the first service of its kind in Canada, because of you. Your monthly support is making sure Black youth know they can reach out to us and feel safe, and I want to personally thank you for your amazing support.

My name is Tamar, and I'm the Manager of Black Youth Initiatives here at Kids Help Phone. I'm so proud to be able to do work that is specifically for and led by Black folks, and have the chance to share this work with you today.

You can read more about RiseUp in the newsletter I've enclosed along with this letter. In this issue, we're highlighting the incredible ways that your support helps address systemic inequities in our society, acknowledge the lived experiences of all youth and make our services more accessible to equity-deserving communities.

It's because of your monthly support that young people have somewhere to turn whenever they need it – and know that the person who answers will understand the social and systemic issues they're facing. You are helping make sure Kids Help Phone can continue to be accessible to youth when we're needed most.

Having your monthly support couldn't be more essential. During this ongoing pandemic, we've seen that Black youth are reaching out to Kids Help Phone at 4x the usual rate, and there's an increase in calls about stress, anxiety, and suicide. They tell us that anti-Black racism affects their daily lives, and the stigma and fear associated with reaching out for support is a huge barrier.

Thank you for helping let youth know that they're not alone. That they are safe and represented here. And that our crisis responders are prepared to help them through whatever challenges they're up against.

For the kid whose fingers might be trembling right now, taking that really brave first step of reaching out and connecting – it means everything to have your support.

Thank you so much for stepping up for Black youth – and every young person who relies on Kids Help Phone to access the help they need.

Sincerely,

Tamar Brannigan
Manager, Black Youth Initiatives,
a program supported by The Slaight Family Foundation
Kids Help Phone

P.S. In the enclosed newsletter, you can see how your monthly support makes programs like RiseUp possible. Thank you for helping us be there for young people across Canada, in the ways they need us most.

“

You helped me feel less lonely and as though what I felt mattered somehow. I'm really grateful for your help.”

-A message shared to the Texting team from a Black service user (2021)

You're removing barriers to meet the mental health needs of Black youth

Young people reach out to us about the impacts of anti-Black racism each and every day.

We also know that when people who identify as African, Caribbean, Black or a part of the Afro-diaspora need mental health support, they're often met with limited options and inadequate care.

Thanks to support from donors like you, RiseUp powered by Kids Help Phone is Canada's first national, 24/7, bilingual e-mental health support service for Black youth.

Carefully crafted in an ongoing collaboration with Black community partners and people from across the Afro-diaspora, RiseUp aims to address the role of systemic racism in the lives of Black youth through culturally

informed support through all of Kids Help Phone's services, responsive data to inform how we provide support and on-going engagement with Black communities, leaders and youth.

To ensure Black youth service users and community partners are informing these efforts every step of the way, you've helped us create a Black Advisory Council, comprised of 12 Black leaders from across Canada who will provide expert insight, feedback and guidance as our work continues.

With a goal of better understanding and meeting the mental health needs of youth from across the Afro-diaspora, it's critical that we build the competence of our service providers. Your support has also helped develop and provide virtual training for Kids Help Phone staff and crisis responders.

So far, more than 2,000 volunteers, texting supervisors, coaches and staff have received the Courageous Conversations training.

RiseUp is free and available from coast to coast to coast. Black youth can text RISE to 686868 or Facebook Messenger to connect with a trained, volunteer crisis responder.

“

The need for RiseUp is clear. Last year, the number of Black youth reaching out to us about racism or discrimination increased by 24%.”

-Kids Help Phone Counselor

Thank you for giving young people a safe space to connect

In 2021, we saw substantial increases in the number of calls and chats about discrimination, sexual orientation and gender identity. Your support makes sure youth feel safe, supported and represented when they reach out for help.

Visit kidshelpphone.ca/insights to learn more!

In 2021, Kids Help Phone supported young people

4.6 million times

 **161,203** times by phone **10,888** times by chat **242,020** times by text

Of the young people who reached out by text this year:

 **5.8%** identify as Black **8.6%** identify as Indigenous **39%** identify as 2SLGBTQ+

85% of texters said they felt less upset as a result of their conversation

Making wellness accessible to Indigenous youth

Brighter Days: An Indigenous Wellness Program supported by Sun Life was developed by Indigenous educators, school counsellors and community program workers to empower First Nations, Inuit and Métis youth with skills, tools and resources to support their well-being.

The program is offered to any group of Indigenous youth from six to 29 years old in both audio and video format. Groups then have the option of selecting from a catalogue of wellness modules based on the priorities of their community.

Each module starts with a video introduction featuring a trusted Indigenous Influencer Host such as former NHL player Jordin Tootoo. This is followed by a culturally safe and engaging

session with a Kids Help Phone Indigenous Wellness Specialist.

Thanks to your support, Brighter Days promotes the mental, emotional, physical and spiritual well-being of Indigenous young people.

“

Because of you, kids in big cities, small rural towns, and even fly-in reserves can find someone to listen – whenever we need to talk.”

-Danielle, Kids Help Phone service user

Help kids in Canada every day of the year

Meet a fellow donor making a monthly impact.

I am just so pleased to be able to support Kids Help Phone with my monthly donations.

I have been retired more than 20 years now from my job as a telephone operator at Bell Canada.

I carried Kids Help Phone's phone number with me on the job, and I offered to connect young people when they called in to ask questions.

I was always so thankful that I came prepared, and that Kids Help Phone was on the job to help these young people.

We just never know when a young person will encounter problems that they think they lack the ability to solve.

-Penny, Kids Help Phone monthly donor

“

Life has been good to me. I have always welcomed this opportunity to help others by donating to Kids Help Phone.”

-Penny, Kids Help Phone monthly donor

Kids Help Phone depends on donor support to bring mental health resources to youth in distress.
