7.12.1 Deputy Mayor Spencer confirmed the 55 Plus Games have officially started and noted attendance and sponsorship are up from 2022. Councillors are invited to a Town Sponsored BBQ on Tuesday, September 12 for all volunteers and participants.

8. New Business

8.1 Request for Decisions

8.1.1 Victoria Street West – PEI Housing Corporation Development Permit Application – PID No. 1081561

8.1.1.1 Moved by Councillor Toombs, seconded by Councillor Doucette

BE IT RESOLVED THAT Kensington Town Council approve a development permit application from the Prince Edward Island Housing Corporation, dated August 10, 2023, to facilitate the construction of a 10-unit family and seniors residential building along Victoria Street West (PID No. 1081561), pending approval of the street access on to Victoria Street West by the Department of Transportation and Infrastructure.

Unanimously carried.

8.1.2 Development Control Bylaw and Official Plan (General Land Use Map) Amendment – PID No. 685545

8.1.2.1 General Land Use Map (Official Plan) Amendment Resolution

Moved by Councillor Mann, seconded by Deputy Mayor Spencer

WHEREAS a request has been received from the owners of a property located at the corner of School Street and Sunset Drive (PID No. 685545) to change the land use designation of the property from its current Single Residential (R1) designation to Low Density Residential (R2) to facilitate the construction of a duplex on the property;

AND WHEREAS a public meeting to solicit comments/feedback from the public was held on August 30, 2023, in accordance with the PEI Planning Act and the Town's Development Control Bylaw;

AND WHEREAS town staff have evaluated the application, in consultation with DV8 Consulting, and are recommending that Town Council proceed with the Official Plan General Land Use Map amendment;

BE IT RESOLVED THAT Kensington Town Council approve an amendment to the General Land Use Map, that is part of the Town's Official Plan to change the land use designation of PID No. 685545 located at the corner of School Street and Sunset Drive, from its current Single Residential (R1) designation to Low Density Residential (R2) to facilitate the construction of duplex on the property.

Unanimously carried.

8.1.2.2 First Reading of Development Control Bylaw Amendment

Moved by Councillor Mann, seconded by Councillor Gallant

WHEREAS a request has been received from the owners of a property located at the corner of School Street and Sunset Drive (PID No. 685545) to re-zone their property from its current Single Residential (R1) zoning designation to Low Density Residential (R2) to facilitate the construction of a duplex on the property;

AND WHEREAS a public meeting to solicit comments/feedback from the public was held on August 30, 2023, in accordance with the PEI Planning Act and the Town's Development Control Bylaw;

AND WHEREAS town staff have evaluated the application, in consultation with DV8 Consulting, and are recommending that Town Council proceed with the Development Control Bylaw amendment;

BE IT RESOLVED THAT Kensington Town Council give first reading to amend the Zoning and Subdivision Control Bylaw to re-zone PID No. 685545 located at the corner of School Street and Sunset Drive, from its current Single Residential (R1) designation to Low Density Residential (R2) to facilitate the construction of duplex on the property.

Unanimously carried.

8.1.2.3 Approval of First Reading of Development Control Bylaw Amendment

Moved by Councillor Mann, seconded by Councillor Toombs

WHEREAS a request has been received from the owners of a property located at the corner of School Street and Sunset Drive (PID No. 685545) to re-zone their property from its current Single Residential (R1) zoning designation to Low Density Residential (R2) to facilitate the construction of a duplex on the property;

AND WHEREAS a public meeting to solicit comments/feedback from the public was held on August 30, 2023, in accordance with the PEI Planning Act and the Town's Development Control Bylaw;

AND WHEREAS town staff have evaluated the application, in consultation with DV8 Consulting, and are recommending that Town Council proceed with the Development Control Bylaw amendment;

BE IT RESOLVED THAT Kensington Town Council formally approve and adopt first reading to amend the Zoning and Subdivision Control Bylaw to re-zone PID No. 685545 located at the corner of School Street and Sunset Drive, from its current Single Residential (R1) designation to Low Density Residential (R2) to facilitate the construction of duplex on the property.

Unanimously carried.

8.1.3 Development Permit Application – 63 Victoria Street West – PID 80861 and 76711

8.1.3.1 Moved by Deputy Mayor Spencer, seconded by Councillor Toombs

THAT Town Council approve a Development Permit application for Bruce Bell, being the owner of PID No's 80861 and 76711, for the construction of a 4-Bay commercial garage on the property, subject to compliance with all relevant federal, provincial, and municipal legislation and regulations.

Unanimously carried.

8.1.4 Development Permit Application – EW Brown Holdings

8.1.4.1 Moved by Deputy Mayor Spencer, seconded by Councillor Gallant

BE IT RESOLVED THAT Town Council approve a development permit application for EW Brown Holdings for the construction of a 100' by 38' storage building on their property located along Five Lanes Drive in the Kensington Business Park (PID No. 76216).

Unanimously carried.

8.1.5 Development Permit Application – Red Sands Internet

8.1.5.1 Moved by Councillor Doucette, seconded by Councillor Toombs

BE IT RESOLVED THAT Town Council approve a development permit application for Red Sands Internet for the construction of a 10' by 10' utility building on a property located at 10 Gerald McCarville Drive (PID No. 1024900), owned by Mid-Isle Electric.

Unanimously carried.

8.2 Other Matters

- **8.2.1** Mayor Caseley noted that Hope Parnham from DV8 Consulting will attend the September 25th Committee of Council meeting to present a draft copy of the Official Plan and Bylaw review.
- **8.2.2** Mayor Caseley recognized the 22nd anniversary of the September 11, 2001 terrorist attacks at the World Trade Center, the Pentagon, and in Somerset County, Pennsylvania.
- **8.2.3** Councillor Doucette noted the community support with the Eastern Canadians Softball Championships recently held at the Credit Union Centre and supported Councillor Gallants recommendation to send a letter to Softball PEI.

- **8.2.4** Councillor Doucette inquired about the availability of day passes at the FitPlex. It was confirmed that day passes are available from arena staff during the non-staffed hours of the FitPlex. It was requested that having day passes available at the Town Hall be considered.
- **8.3.5** Councillor Gallant noted the new entryway cover at the FitPlex looks great and will work well for the users of the facility.
- **8.3.6** Councillor Gallant noted the feathers and mess from seagulls at the arena and inquired about options to deter seagulls from landing on the roof.

9. Correspondence

- **9.1** A letter from Under the Spire Music Festival requesting financial support for the newly established Robert Kortgaard Awards for Youth Musical Excellence. *Tabled to September Committee of Council Meeting.*
- **9.2** A Thank-you note from KISH student, Ava Sulpher for the Town of Kensington donation of pins for her recent travels to the National Youth Ambassador Forum in Halifax.

10. In-Camera (Closed session)

- **10.1** One item under 119(1)(e) of the Municipal Government Act.
 - **10.1.1** Moved by Councillor Toombs, seconded by Councillor Gallant to enter into an In-Camera session at 7:34 pm.

Unanimously carried.

10.1.2 Moved by Councillor Toombs, seconded by Councillor Doucette to come out of an In-Camera session at 7:52 pm.

11. Adjournment

Moved by Councillor Gallant, seconded by Councillor Doucette to adjourn the meeting at 7:52 PM. Unanimously carried.

Geoff Baker, CAO Rowan Caseley, Mayor

		Town of Kensington CAO's Report for Committee of Council - September 2023
Item #	Project/Task	Status
1	Official Plan and Zoning Bylaw - 5 Year Review	The draft Bylaw and Official Plan have been circulated to Town Councillors previously. A copy has also been sent to the Province of PEI for a preliminary review. <u>A presentation from the DV8 Consulting to Town Council is scheduled for the September 25th Committee of Council meeting.</u>
2	VueWorks	With GeoNet no longer able to support the Town's GIS system (VueWorks) staff have established an annual agreement with DTS Solutions to enable telephone and email support, system back-ups, and software hosting. Staff are currently in discussions with SNC Lavalin to establish a hosting agreement for the Town's data, i.e. property, water and sewer infrastructure, etc. The agreement will also allow for the periodic updating of our GIS infrastructure and property data.
2	Vacworks	initiasu detute, etc. The agreement win also allow for the periodic updating of our ors initiasu detute and property data.
3	Credit Union Centre Upgrades	The replacement of the rink boards , glass and safety netting is complete. Painting, outside and I-beams, is complete, Re paving and marking of the parking area is complete. The LED light replacement is complete. The old ice plant has been removed and the ice plant room is now prepared for the new plant. The ice plant is scheduled to arrive on September 27th and will take approximately 10 days to 2 weeks to install, and it will take approximately one week to make ice. The electrical service upgrade to accommodate the new ice plant is underway. The tender for the installation of solar panels was issued on September 7th and is scheduled to close on September 28th. All new flooring has been installed in the public washrooms, fixtures have been replaced (hand dryers, soap dispensers, etc., toilets, partitions, and urinals have been replaced, counter tops are replaced. Repairs, including replacement of fixtures have been completed on the Vipers washroom. The ballfield washroom has also been updated with new fixtures, etc.
4	Broadway Street South Water and Sewer Main Extension Project and sidewalk installation (Broadway Street South Infrastructure Upgrades)	This project is now substantially complete. A final walkthrough with the contractor and WSP was held on August 31st, with some minor deficiencies noted, grass issues, etc. At the north end of the new sidewalk asphalt was used to provide access to the sidewalk. Direction has been given to have the asphalt removed and replaced with concrete.
5	Electric Vehicle (EV) Chargers	The EV Chargers have all been installed and parking stalls have been marked. There was a technical issue with one of the chargers located at the Credit Union Centre. Parts were ordered and replaced and it is still not operational. Olympia Construction has been hired by ChargePoint to address the issue and to make the charger operational. Staff met with the insurance adjustor on Tuesday, September 5th. The insurance claim will be submitted prior to the end of
_		September. Following that, any uninsurable expenses may be claimed through the Province's Disaster Assistance Fund. The repairs resulting from Fiona included repairs and/or replacement of several facility roofs, fence replacements, sign replacements, tree removal, wage expenses, lost revenue at the rink, ballfield repairs etc.
6	Hurricane Fiona	The KNWSA were recently approved through the Active Transportation Fund to develop a small trail system behind the ballfields. A copy of the proposed trail is attached to this report. It is anticipated that the trail will be connected and extended in the future to areas behind Rosewood Drive, the Business Park, and ultimately connecting to the Public Forest property. There is no cost to the Town for this project and the KNWSA will take on management of the project.
7	Meeting with Kensington North Watershed Association (KNWSA)	
8	Rob Steele Re-Zoning Application (PID No. 685545)	The public meeting to hear public comment/concern on the re-zoning application was held on August 30, 2023. A request for decision was presented and approved to give and approve first reading of the Bylaw and Official Plan amendment at the September meeting of Town Council. The Bylaw amendment will be presented at the October meeting of Town Council for second reading and formal adoption.
		The public meeting to hear public comment/concern on the Legion's re-zoning application for their property located along School Street was held on August 30, 2023. The Legion has been advised to submit a subdivision plan and development plan for the property prior to the Town finalizing the re-zoning application. The re-zoning application has been reviewed by DV8 Consulting and is being recommended for approval pending the submittal (and approval) of the subdivision plan.
9	Legion Re-Zoning Application (PID No. 79749)	The windbreak porch has been installed around the fitplex entrance. Quotes and designs have been requested for signage, which should be installed over the next couple of weeks.
10	Kensington Fitplex Entrance Renovation	Staff have requested quotations to undertake the 2023 Sewer Main Flushing and Video program. The 2023 work will take place in the Northeast section of Town (Victoria St E, Pleasant Street E, Woodleigh Drive, etc.)
11	Annual Sewer Main Cleaning and Video	The volunteer school crossing guards have agreed to continue for the 2023/24 School Year. Bev Semple, Jack Spencer and Jamie Perry will continue to complete the duties this year. Re-certifications are required for all of the Guards which will be
12	School Crossing Guards	completed at the Town Hall on October 2, 2023. A meeting was held with WSP on Wednesday, September 13th to discuss options around the green space located behind the
12	Cours Secure (and the secure) Development	Credit Union, specifically around the development of parking area options and associated cost estimates. A proposal from WSP was presented and signed to develop a preliminary concept plan and cost estimates, as well as to review the railyards area for parking improvements.
13	Green Space (parking area) Development	Staff made application to the fund in late May/Early June to facilitate the upgrade of the washrooms at the Credit Union Centre, and to purchase equipment for the fire department. We are hopeful to receive approval of the funding shortly.
14	Rural Growth Initiative Funding Program	Staff are currently attempting to hire a painting contractor to paint the inside of the building, specifically the seniors area. We
15	Seniors Centre Upgrades	are also looking into replacing the outdoor lights around the facility. I have completed preliminary research on an appropriate policy to guide the installation and operation of Street Lights
16	Street Lights Policy	throughout the Town. NO UPDATE The Province has been informed of Town Council's desire to keep this sidewalk in its current location. Staff
17	Woodleigh Drive Sidewalk	will evaluate the area and bring options and a recommendation to Town Council with regard to potential improvements to pedestrian and vehicle circulation in the area.
18	Commercial Street/Broadway Street Intersection	NO UPDATE Mayor Caseley and I met with the Minister of Transportation on September 22, 2022 to discuss several transportation issues throughout the town. In discussions with Provincial Department of Transportation Staff, I am informed that any work that may be completed in the vicinity of the intersection will be delayed to the 2023 construction season. It is evident that parking spaces may have to be removed to complete any required upgrades.
19	Freight Shed Upgrades	NO UPDATE A structural review was completed on the building. We are currently seeking potential funding sources for an upgrades project which would generally include addressing any structural issues, connection to the water and sewer system, addition of a washroom, installation of heating/cooling, and insulation and covering of the walls. Provision will be made to protect any historical elements of the building such as the markings on the internal walls. The roof was replaced in later April/Early May.
20	Relocation of Town of Kensington Signs	April/Early May. NO UPDATE We are currently working with a property owner along the Kelvin Grove Road to relocate a welcome sign to their property. The sign will be relocated as soon as land issues are worked out. We are hopeful to have the sign relocated this Spring/2023.
20	Website	NO UPDATE The web designer has completed the design of the website and is in the process of transferring information from our existing website over to the new site.
22	Dog Bylaw	NO UPDATE Work on this was ceased in 2022 in favour of working on other projects and initiatives. The Province of PEI is in the process of updating their Dog Act (which was drafted in the 1970's) which may impact how the town proceeds with the Bylaw. Work will continue on the Bylaw as information on the updated Act is available.

Item #	Project/Task	Status
		NO UPDATE We have been working with the Provincial 911 office in regards to civic numbering issues within the Town.
		There are a number of areas that require re-numbering under the Town's Bylaw and Provincial regulation. While, at this point
		in time we have no current timeline for the completion of the re-numbering, staff will continue to work with the Province and
		will update Town Council as information becomes available.
23	Civic Re-Numbering	
		NO UPDATE Staff completed an assessment and clean up of the Roy Paynter Park. We are also seeking out pricing on
		additional equipment for the park to be funded through the Town's Gas Tax contribution under the project category Parks and
		Playground improvements. Further information will be provided to Town Council as we gather information.
24	Roy Paynter Park	
25	Bobcat Tractor Replacement	A Request for Quotations has been issued for the replacement of the Bobcat Tractor. It is scheduled to close on October 3,
		2023.

TOWN OF KENSINGTON – MEMORANDUM

TO:	MAYOR AND TOWN COUNCIL, CAO
FROM:	ROBERT WOOD, CUC MANAGER
DATE:	AUGUST 2023
SUBJECT:	AUGUST 2023 - CREDIT UNION CENTRE REPORT
ATTACHMENT:	STATISTICAL REPORT

August 2023

Fitplex

- Hours of operation are 5:00 am 10:00 pm daily.
- Staffed Hours are Monday to Friday 4:00 pm-8:00 pm
- Porch entrance was installed by Building Blocs Construction and new signage will be designed for entrance way.

Arena

- Spray Net has finished painting the inside beams of the arena as well as the outside of the building.
- New stairways were built by KMP to accommodate exits\entrance to the stands July.
- Railings on the stands were installed by Eddie Arsenault before Harvest Festival
- Public washrooms were completed with new flooring and paint. The fixtures and custom ordered stalls were installed in early August.
- Painting continues with interior of the arena being painted to white with black trim to brighten the arena.
- LED lightning on the ice surface has been installed by Mid Isle Electric
- Paving was finished and lines painted in August.

- Electrical upgrades to system have been started in August to provide power to new Ice Plant.
- Ice Plant was scheduled to be shipped September 1st from Ontario and arrive September 4th for install Approximately 3 weeks, if all goes well. (Note that the old ice plant has been removed and is ready to receive the new ice plant).

Kensington Cash Draw

•	Aug 3	176.00
•	Aug 10	180.00
•	Aug 17	176.00
•	Aug 24	172.00
•	Aug 31	174.00
	Total	878.00

Ball Fields

- Kensington Minor Ball hosted a Provincial U13 'A' Tournament in August.
- The Mens Eastern Canadians tournament has been booked for Kensington this fall by Softball PEI September 8th – 10th.
- Kensington Minor Ball hosting a Co-Ed Rec. tournament September 16th 17th, 2023.

Senior Center

• Lines have been painted by the senior centre, noting spaces for no parking/walkways, etc.

Tennis \ Pickleball Courts KISH

- Nets are up for the season and windscreens installed.
- One Pickle Ball is setup and two tennis nets.

CUC Property

- Skate Park and ball hockey has seen steady use.
- Kensington North Watershed and Town has received funding to construct a new trail through the wooded area behind the ballfields, including signage, benches and flower beds, progress has been made with the trail being cut out and waiting on signage and benches.
- Harvest Festival Summary: The Road Race had 36 entrants on Saturday morning, great numbers for the parade with thousands of people watching along the streets of Kensington and over 80 entries in the parade. The golf tournament was sold out with 36 teams and 144 participants. Trivia was a sell out at the C&B Café and a large attendance (approx. 300) at the Church service. Monday - ambassador program had another crowd of approximately 300 with Julia Folland winning the event. Tuesday was another successful day with Kids programming, card party, youth talent contest and a new event the Fire Fighter Relay Challenge. Wednesday finished off with a skatepark party.

Upcoming Events

- Eastern Canadians softball September 8th 10th, 2023
- Co-Ed Rec Tournament September 16th 17th, 2023

Mayor's Report to Town Council

October 10, 2023

The Mayor's Report to Town Council is an opportunity for the Mayor to provide feedback to Council, Staff, Residents, and other interested Stakeholders about activities of the Mayor on their behalf since the last Council meeting. It will include, as much as possible, a summary of information from meetings and discussions on behalf of the Town of Kensington. Any decisions to be made on behalf of the Town will be brought forward to Council for decisions.

The Mayor is the designated spokesperson for the town and communicates decisions made by Town Council. The Mayor chairs the monthly Town Council Meetings and the monthly Committee of Council meetings. All efforts are made to keep discussions and decisions transparent as we represent the town on behalf of the residents. Agenda's (along with supporting information) for Committee of Council meetings and Town Council meetings are posted on the town website on the Friday afternoon prior to the meeting. (www.kensington.ca)

Committee of Council meetings are held on the 4th Monday of each month (except July and August and December) at 6:30 pm and Town Council meetings are held on the 2nd Monday of each month at 7:00 pm. The agenda's (along with supporting information) are emailed to the County Line Courier, Journal Pioneer, CTV, and CBC on the Friday afternoon prior to the meetings.

55 Plus Summer Games – The Town of Kensington were the host community for the 55 Plus Summer Games for the second year in a row in 2023. By all reports, the games were a success again this year and we thank our two Coordinators - Coreen Pickering and Craig Savill for all their efforts. Deputy Mayor Spencer will give an up to date report on the games as he was Town Council's Liaison for the games.

The Town sponsored BBQ held on Tuesday night went over well with a good turnout of participants. Entertainment by Melanie and Geoff as well as Ann Brander and her band kept the crowd entertained as Councillors barbequed and handed out hotdog, hamburgers and drinks.

We were pleased to have Her Honour, Antoniette Perry, Lieutenant Governor of Prince Edward Island and Hon. Barb Ramsay, Minister of Social Development and Seniors join us for the final closing banquet. Thank you to all the sponsors and volunteers who contributed to this success of the games.

Kensington and Area Chamber of Commerce (KACC) – I met with the executive of the KACC for our quarterly meeting to discuss projects taking place in Kensington and receive feedback from the Chamber executive on the initiatives and plans for the Chamber of Commerce. It is great to keep these lines of communication open as we all continue to make Kensington and area the best place to live and work.

Hon. Rob Lantz – Mr. Baker and I met with Hon. Rob Lantz, Minister of Housing, Land and Communities. We took this opportunity to inform Minister Lantz of the importance of an updated municipal funding agreement with the Province, the housing development plans on Victoria Street West as well as other housing developments being considered in Kensington. Following lunch, we took Minister Lantz for a tour of the Town and pointed out the success we are having with development and construction in the new Business Park.

Hon. Bloyce Thompson – Mr. Baker; Police Chief Lewie Sutherland; Deputy Police Chief Landon Yuill and myself met with Hon. Bloyce Thompson, Minister of Justice and Public Safety; Jonah Clements, Deputy Minister of Justice and Public Safety and Brody Connolly, Director of Policing. The purpose of the meeting was to discuss challenges of policing in Kensington, the additional costs of policing and the need for an improved funding tax credit from the province, the opportunity and challenges of policing going forward and the potential to take advantage of the programs for the purchase of capital equipment for policing. Our discussions were productive and everyone recognized the pressure that all police forces across Canada are now experiencing, with the shortage of police cadets and the higher wages costs for police officers. The province is putting more effort into increasing the number of police cadets trained out of the Police Academy in Summerside.

DiverseCity Festival – Mr. Baker and I met with Marc Carr-Rollitt, DiverseCity Manager of the "Immigrant and Refugee Services Association" who are the organizers of the DiverseCity Festivals that take place across Prince Edward Island. In 2023, they held Festivals in Charlottetown, Summerside, Montague, Alberton and Souris. Marc is looking to expand to other communities and reached out to see if this could become part of our Kensington Harvest Festival. It was agreed we could potentially schedule something on Sunday during Kensington Harvest Festival week from noon to 5:00pm. I have spoken to Robert Wood, Chair of the Harvest Festival Planning Committee, about this potential and he feels this would be a great addition to the Harvest Festival and not conflict with other events. He was especially pleased that this is an event that is organized and run by the DiverseCity organization and our input is limited to financial as well as in kind support such as assisting with set up and take down of booths, etc. Since our community is fast becoming a more diverse community with many cultures living here, we agreed to target August 18, 2024 as a starting point. Mr. Carr-Rollitt will be putting together a proposal for consideration by the Town of Kensington. Consideration is being given to closing down Broadway Street North from Francis Street to the Confederation Trail and also Commercial Street from Broadway Street North to Imperial Street on the afternoon August 18, 2024. Since this is Sunday, minimal impact would be felt by the local businesses and they may benefit from the increased traffic. Murphy's Drugstore can still be accessed from Francis Street, the Food Basket can be accessed from Commercial Street and Willow Bakery from the Train Station parking lot. Nothing is firm but this is a sample of what is being considered. It will be a great opportunity to learn more about the many cultures making up our community in Kensington and across the Island.

Truth and Reconciliation Day and Treaty Day– Premier King recognized Truth and Reconciliation Day and Treaty Day on September 30 and October 1, 2023 respectively by holding a formal ceremony in Charlottetown. It was my honour to attend on behalf of the Town of Kensington along with all invited Mayors and other invited guests across Prince Edward Island. On September 30, following prayer by an Elder from Lennon Island First Nations, remarks from Premier King, Chief Darlene Bernard, Lennox Island First Nations, Chief Junior Gould, Abeqweit First Nations and Marlene Bernard, a survivor from a Residential School, the flags were lowered to half-mast in front of the Shaw Building by Her Honour, Antoniette Perry, Lieutenant Governor of Prince Edward Island and Hon. Dennis King, Premier of Prince Edward Island. On the following day October 1, during the Treaty Day Ceremony, following prayer and remarks, the Grand Council Flag was raised by Premier Dennis King, Chief Junior Gould.

Rowan Caseley, Mayor

Town of Kensington

Town of Kensington - Request for Decision

Date: October 4, 2023	Request for Decision No: 2023-45
	(Office Use Only)

Topic: Development Control Bylaw and Official Plan (General Land Use Map) Amendment – PID No. 685545 – Second Reading and Formal Adoption

Proposal Summary/Background:

A request was received from the owner of a property at the southeast corner of School Street and Sunset Drive (PID No. 685545), to re-zone the property (amend the Development Control Bylaw and Official Plan General Land Use Map) from its current Single Residential (R1) designation to Low Density Residential (R2) to facilitate the construction of a duplex on the property.

The proposed Bylaw and Official Plan amendment was initially considered by Town Council at their July 10, 2023 regular meeting where Councillors authorized staff to move the proposed amendment forward to a public meeting to solicit comments/feedback from the community. A notification was placed in the Journal Pioneer newspaper on Wednesday, August 16, 2023, in accordance with the PEI Planning Act and the Town's Development Control Bylaw. In addition to the newspaper ad, notification letters were delivered to all property owners within 500 feet of the subject property, as required by the Town's Development Control Bylaw.

The public consultation was held on August 30, 2023 at the Kensington Town Hall with eleven property owners in attendance. Concerns were noted against the subject application, which are adequately addressed within the attached DV8 report.

First reading and approval of the Bylaw amendment was given at the September 11, 2023 regular meeting of Town Council.

The following information is being circulated with this Request for Decision:

- 1. Re-Zoning Request
- 2. DV8 Consulting Planning Initial Report (email)
- 3. DV8 Consulting Planning Final Report
- 4. Mapping information

Benefits:

• N/A

Disadvantages:

• N/A

Discussion/Comments:

Staff have reviewed the relevant information and the DV8 Consulting Planning Report on the proposed Bylaw and Official Plan amendment. Staff are recommending that Town Council give and approve second reading and formal adoption to the bylaw amendment to re-zone the property from Single Unit Residential (R1) to Low Density Residential (R2) for the purpose of constructing a duplex on the property.

Options:

- 1. Give and approve second reading, and formally adopt the Bylaw amendment, as proposed.
- 2. Not proceed with the Bylaw and Official Plan Amendment.
- 3. Refer the matter(s) back to staff for further direction and deliberation.

Costs/Required Resources:	Source of Funding:
N/A	N/A
Recommendation:	

It is recommended that Town Council consider and adopt the following resolutions:

Second Reading of Development Control Bylaw Amendment

WHEREAS a request has been received from the owner of a property located at the corner of School Street and Sunset Drive (PID No. 685545) to re-zone the property from its current Single Residential (R1) zoning designation to Low Density Residential (R2) to facilitate the construction of a duplex on the property; AND WHEREAS a public meeting to solicit comments/feedback from the public was held on August 30, 2023, in accordance with the PEI Planning Act and the Town's Development Control Bylaw;

AND WHEREAS town staff have evaluated the application, in consultation with DV8 Consulting, and are recommending that Town Council proceed with the Development Control Bylaw amendment;

AND WHEREAS the bylaw was read, approved, and adopted a first time at a regular meeting of Town Council, duly held on September 11, 2023.

BE IT RESOLVED THAT Kensington Town Council give second reading to amend the Zoning and Subdivision Control Bylaw to re-zone PID No. 685545 located at the corner of School Street and Sunset Drive, from its current Single Residential (R1) designation to Low Density Residential (R2) to facilitate the construction of duplex on the property.

Approval of Second Reading

WHEREAS a request was received from the owner of a property located at the corner of School Street and Sunset Drive (PID No. 685545) to re-zone the property from its current Single Residential (R1) zoning designation to Low Density Residential (R2) to facilitate the construction of a duplex on the property;

AND WHEREAS a public meeting to solicit comments/feedback from the public was held on August 30, 2023, in accordance with the PEI Planning Act and the Town's Development Control Bylaw;

AND WHEREAS town staff have evaluated the application, in consultation with DV8 Consulting, and are recommending that Town Council proceed with the Development Control Bylaw amendment;

AND WHEREAS the bylaw was read, approved, and adopted a first time at a regular meeting of Town Council, duly held on September 11, 2023.

BE IT RESOLVED THAT Kensington Town Council formally approve and adopt second reading to amend the Zoning and Subdivision Control Bylaw to re-zone PID No. 685545 located at the corner of School Street and Sunset Drive, from its current Single Residential (R1) designation to Low Density Residential (R2) to facilitate the construction of duplex on the property.

Formal Adoption

WHEREAS a request has been received from the owner of a property located at the corner of School Street and Sunset Drive (PID No. 685545) to re-zone the property from its current Single Residential (R1) zoning designation to Low Density Residential (R2) to facilitate the construction of a duplex on the property;

AND WHEREAS a public meeting to solicit comments/feedback from the public was held on August 30, 2023, in accordance with the PEI Planning Act and the Town's Development Control Bylaw;

AND WHEREAS town staff have evaluated the application, in consultation with DV8 Consulting, and are recommending that Town Council proceed with the Development Control Bylaw amendment;

AND WHEREAS the bylaw was read, approved, and adopted a first time at a regular meeting of Town Council, duly held on September 11, 2023.

BE IT RESOLVED THAT Kensington Town Council formally adopt an amendment to the Zoning and Subdivision Control Bylaw to re-zone PID No. 685545 located at the corner of School Street and Sunset Drive, from its current Single Residential (R1) designation to Low Density Residential (R2) to facilitate the construction of duplex on the property.

September 5, 2023

Town of Kensington PO Box 418 Kensington, PE COB 1M0 Phone: (902) 836-3781 Fax: (902) 836-3741 Email: townmanager@townofkensington.com

Re: Rezoning application for a rezoning of PID 685545

Dear Mr. Baker,

I have reviewed the Town of Kensington's *Official Plan* and *Zoning and Subdivision Control* (*Development*) *By-law* with respect to the proposed rezoning of PID 685545, on the corner of School St and Sunset Dr. The rezoning request is to change the property from its current Single Residential (R1) designation to Low Density Residential (R2) to facilitate the construction of a duplex on the property. The rezoning also requires an amendment to the Official Plan – General Land Use Map for the same change.

The lot in question exceeds the minimum lot frontage and lot area requirements for a duplex in the R2 Zone. This area already has mixed density development, the 3 adjacent lots on Sunset are semidetached, and townhouses (R3) are on the opposite side of that street. And the proposed corner design will in fact look like a single detached dwelling from either side street, with the two driveways to be located on either side of the corner. The applicant has applied for 2 entranceway permits with the province.

A public meeting was held on August 30th to hear comments from the public on the proposed rezoning and notification letters were delivered to all property owners within 500 ft of the subject project. Concerns were noted by two property owners who were not in favour for the following reasons:

- They did not like the idea of two driveways being installed.
- They felt it would modify their current single residential neighbourhood.
- They felt that it would degrade property values in the neighbourhood.

The Town's Official Plan goals, objectives and policies support residential development and increased density. One of the goals of the Town is to "provide a range of residential zoning to support housing opportunities to meet various socio-economic and physical needs". Furthermore, the objectives of the Town are to "actively promote the Town as a residential location" and "to encourage residential development standards which stress energy efficiency and land use compatibility" – both objectives are achieved with the higher density provided by attached dwellings.

While intensification of properties and infill development in existing low-density neighbourhoods does need to be carefully considered, the proposed development is aligned with the mixed density character that already exists on Sunset Dr. Furthermore, School Street only has one other driveway on the same side of the street within the block, with no driveways extending from the opposite side of the street. Current regulations support the use of accessory apartments in single detached dwellings in the R1

Zone. A single detached dwelling with an accessory apartment would have otherwise resulted in the same density as what is being proposed.

As the proposed rezoning is supported by the Official Plan goals and policies, I am recommending that Council support the application to rezone the property from Single Residential (R1) designation to Low Density Residential (R2) to facilitate the construction of a duplex, and to amend the Official Plan Future Land Use Map accordingly.

As always, please feel free to contact me with any further questions.

Best regards,

. 0

Hi Geoff

I would like to build a semi detached on the corner of School and Sunset. Please find an application and corresponding information.

Please let me know what you need to proceed.

Be well, Have a great weeked, Rob

Subject: RE: Semidetached development, change to R2

Hi Geoff

My preliminary review indicates that the proposal aligns with housing objectives in the Official Plan and meets the lot area and set back requirements for the current R2 Zone. And I think that they are within the permitted lot coverage (a regulation we are proposing to get rid of anyways). If the rezoning is approved, they still need to apply for the development permit, and we can confirm those details at that time. With the 3 adjacent lots on Sunset as semi-detached, and townhouses (R3) on the opposite side of that street, this area already has mixed density development.

I would suggest proceeding to the public meeting stage with the caveat that if the rezoning is approved the development will meet the Bylaw regulations of the R2 Zone – that way I can complete a more thorough review on the drawings when I have more time.

Would really like to chat with you soon about the Official Plan/Bylaw and when you would like to proceed. If you are generally comfortable with the latest draft, I would like to submit it for a preliminary review by the Province so that if they identify any red flags, we catch them before the draft goes to the public.

Best regards Hope

From: cao@kensington.ca <cao@kensington.ca> Sent: Wednesday, July 5, 2023 2:16 PM To: Hope Parnham <<u>hparnham@outlook.com</u>> Subject: FW: Semidetached development, change to R2

Ні Норе

I received the attached re-zoning application and couldn't specifically recall if I had sent it to you previously or not. My "sent" items indicate that I didn't.

Can you please review and make a recommendation as to whether the application should be moved forward to the public consultation phase? I'd like to get it to Town Council this coming Monday evening, if at all possible.

Thanks, and please let me know should you have any questions/concerns.

Geoff Baker, CAO Town of Kensington Tel: (902) 836-3781 Cell: (902) 439-8849

ractors to complete the Town's annual sewer ned statement of work). Approximately 4,670						
ned statement of work). Approximately 4,670						
Staff recently requested quotations from qualified contractors to complete the Town's annual sewer main flushing and video inspection contract (see attached statement of work). Approximately 4,670 meters of sewer main are scheduled to be cleaned and inspected in 2023 (See attached diagram – Year 1).						
Quotes were requested from three contractors, and were received as follows:						
717.78 plus applicable taxes						
497.00 plus applicable taxes						
522.50 plus applicable taxes						
· Prus upprousie unios						

- Completing this preventative maintenance should reduce the volume of required reactive maintenance.
- Will ensure greater operational efficiency within the sewer system network.
- Will identify problem areas within the sewer system network.

Disadvantages:

None noted.

Discussion/Comments:

The Town has been completing annual sewer maintenance and video inspection on its sewer main lines for approximately the past twelve years. This has reduced the volume of reactive maintenance required to address things such as blockages, back-ups, tree root intrusions, etc.

It is recommended by the CAO that Town Council award the 2023 Annual Sewer Main Line Flushing and Video Inspection contract to Island Hydrovac Services as per their quote dated October 3, 2023.

Options:

- 1. Award the contract to Island Hydrovac Services, as recommended.
- 2. Award the contract to the other bidder.
- 3. Not award the contract.
- 4. Refer the matter(s) back to staff for further direction and deliberation.

Costs/Required Resources:	Source of Funding:
\$31,522.50 plus HST	Water and Sewer Utility – Sewer Repairs and Maintenance
Recommendation:	

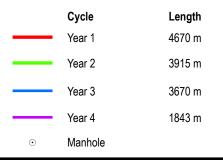

Accommentation.

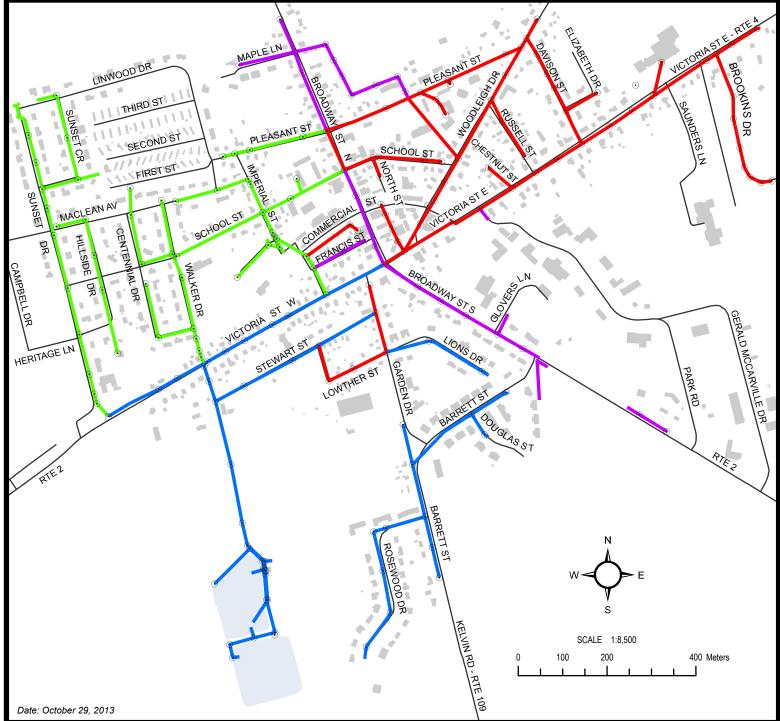

That Town Council consider and adopt the following resolution(s):

BE IT RESOLVED THAT Town Council award a contract for the 2023 Annual Sewer Main Line Flushing and Video Inspection to Island Hydrovac Services as per their quote dated October 3, 2023, in the amount of \$31,522.50 plus HST.

STANDARD TERMS AND CONDITIONS

THESE STANDARD TERMS AND CONDITIONS FORM A PART OF THE AGREEMENT BY AND BETWEEN GFL ENVIRONMENTAL INC., INCLUDING ANY SUBSIDIARIES (COLLECTIVELY "GFL") AND CUSTOMER NAMED ON THE WORK ORDER ("CUSTOMER") TO WHICH THESE STANDARD TERMS AND CONDITIONS ARE ATTACHED (THE "AGREEMENT

CUSTOMER and GFL AGREE AS FOLLOWS:

1.0. DEFINITIONS

- Contaminants" means any quantity of PCB, herbicides, pesticides, dioxins, explosives, radioactive or bio-medi material or any other substance, the handling, treatment, transportation or storage of which is regulated by applicable Regulation
- 'Equipment" means all equipment supplied by GFL as described in the Work Order
- "Facility" means an equipment isoppret by of Data section in the Work Order.
 "Facility" means a GFL facility or a third-party disposal facility as indicated on the Work Order which is designated and permitted under applicable Regulations to receive and dispose of Waste.
 "Non-Conforming Waste" means any materials or substances, the description of which does not conform to the (c) (d)
- description(s) (including any manifests) and/or samples thereof provided to GFL by CUSTOMER. "Regulation(s)" means all statutes, laws, rules, orders and regulations in effect from time to time by any government or (e)
- governmental board or agency having jurisdiction over any aspect of the subject matter of this Agreement. 'Services'' includes, as applicable, as described in a Work Order: (i) handling, storing, treating, collecting, transporting, (f)
- recycling or disposal of Waste; (ii) supply, rental, leasing or sale of Equipment; (iii) supply of products; and (iv) supply professional services
- "Term" means the term of this Agreement as described in the Work Order and includes any renewal term thereof pursuant (g) "UMO" means used motor oil. "Waste" means only those materials or substances that conform to the description(s) thereof (including any manifests)
- (h)
- (i) "Work Order" means the form to which these Terms and Conditions are attached and form a part of, which set out the
- (i) Services to be provided and where applicable, the fees payable for such Services.

2.0. PRICING AND PAYMENT

- The fees and charges payable by CUSTOMER for the Services are as set out in the Work Order, or as invoiced by GFL to CUSTOMER. CUSTOMER acknowledges that fees and charges set out in the Work Order do not include charges for Non-Conforming Waste.
- Unless otherwise specified, invoices may be submitted by GFL at any time after completion of the Service Payment is due upon receipt of invoice. Interest will accrue on all amounts remaining unpaid thirty (30) days after the
- invoice date at the rate of 2% per month (24% per annum) until paid. GFL reserves the right to suspend all Services until any past due balance is paid in full but such suspension of Services will not constitute termination of this Agreement. (d)
- Where CUSTOMER fails to pay for the Services within thirty (30) days of invoice date, GFL reserves the right to return to CUSTOMER any material or substance collected from CUSTOMER, including Non-Conforming Waste, and CUSTOMER agrees to accept such return, where permitted by applicable Regulations.
- (e)
- (f)
- CUSTOMER agrees to accept such return, where permitted by applicable Regulations. GFL may increase fees and charges as set out in the Work Order annually by giving CUSTOMER thirty (30) days' written notice prior to the effective date of such increase. When warranted by increased fuel prices, GFL may, in its sole discretion, charge a reasonable fuel surcharge in addition to the amounts charged for Services and CUSTOMER agrees to pay such charges. Fluctuations in the market price of WTI Crude of + or 25% in any calendar quarter during the Term will result in a corresponding change in the price paid/charged to CUSTOMER for UMO. GFL will provide CUSTOMER with thirty (30) days advance notice of change in the UMO price. If CUSTOMER objects to such change, it may terminate UMO services only by viping CFL written notice within term (10) days of CUSTOMER scient of the notice of UNO price (g) services only by giving GFL written notice within ten (10) days of CUSTOMER's receipt of the notice of UMO price change. If no notice of termination is given by CUSTOMER within such period, the price for UMO will be changed in accordance with such notice of UMO price change and all other terms of this Agreement will remain in effect.
- (h) An additional per liter processing fee will apply where the water content of UMO collected from CUSTOMER exceeds
- Sees associated with carbon taxes/or levies will apply, including direct and indirect fees charged by any government or governmental board or agency having jurisdiction over any aspect of the subject matter of this Agreement and will be invoiced to CUSTOMER in addition to fees and charges set out in the Work Order. (i)
- GFL may increase amounts charged for its Services at any time during the Term on notice in writing to CUSTOMER if Regulations impose additional taxes, tariffs, fees, surcharges or other charges in respect of any Services provided and (j) Regulatio CUSTOMER agrees to pay such charges as invoiced.
- Waximum allowable transport weight for Waste in 205 litre drums is 240 kilograms. Drums exceeding this allowable weight will be repacked into additional drums and/or containers at a cost to be invoiced to CUSTOMER in addition to fees (k) and charges set out in the Work Order.

3.0. TERM AND TERMINATION

3.1. Term. The Term shall automatically renew for the same period of time as the initial term set out in the Work Order and will continue to renew at the expiration of each subsequent term unless CUSTOMER gives GFL written notice at least sixty (60) days prior to the expiration of the then expiring Term.

- CUSTOMER may terminate this Agreement prior to the expiry of the Term by providing not less than thirty (30) days' (a) prior written notice to GFL if: (i) GFL is in breach of any term of this Agreement and fails to remedy such breach within ten (10) days of written notice by CUSTOMER to GFL; (ii) CUSTOMER receives a notice of an annual increase to fees pursuant to Section 2.0(e) which CUSTOMER does not accept.
- GFL may terminate this Agreement prior to the expiry of the Term by providing not less than thirty (30) days' prior written notice to CUSTOMER if there occurs any change in Regulations which materially impacts GFL's ability to perform the Services. GFL may also terminate this Ågreement prior to the expiry of the Term, if: (i) CUSTOMER fails to make payment to GFL as required herein and such non-payment continues for more ten (10) days after the due date, or (ii) CUSTOMER is in breach of any term of this Agreement and fails to remedy such breach within ten (10) days of written notice by GFL to CUSTOMER.
- Either party may terminate this Agreement immediately in any of the following circumstances: (i) the other party submits (c) or files a petition of bankruptcy or is declared bankrupt or starts proceeding of arrangement or settlement in relation to bankruptcy, (ii) the other party applies to a court for the appointment of an administrator in relation to it, (iii) the other party submits a petition for winding up except in the case of a bona fide intra-group re-organization, or (iv) the other party ceases to or threatens to cease to carry on its business or a substantial part thereof. The defaulting party shall promptly inform the non-defaulting party by written notification upon the occurrence of any of the above listed events.
- CUSTOMER agrees that, notwithstanding termination of this Agreement, it will grant GFL and its employees access to the CUSTOMER site for such period of time as GFL may reasonably require following such termination to demobilize and remove all of its Equipment and CUSTOMER agrees to provide such access provided that GFL such access shall be (d) at mutually agreeable times and that GFL employees abides by reasonable rules and regulations of CUSTOMER site.

4.0 EOUIPMENT AND SUPPLIES

- Where Services include the supply of Equipment, CUSTOMER agrees that: (i) all servicing, repair and maintenance of Equipment will be performed only by GFL, (ii) all Equipment will remain the sole and exclusive property of GFL and will, upon termination of this Agreement, be returned to GFL in substantially the same state of repair as at the time of its delivery to CUSTOMER (reasonable wear and tear and damage by GFL excluded), (iii) it will use the Equipment only (a) for the purpose(s) for which it is supplied and in accordance with its labelling and packaging, and (iv) it will pay for replacement of the Equipment due to loss or damage while in the custody and control of CUSTOMER, other than from GFL's handling thereof. Without limiting the generality of the foregoing. CUSTOMER shall not introduce any
- Contaminant into the Equipment except as expressly described in the Work Order. Where Services including the provision of parts cleaner, or fluid recovery service to CUSTOMER, any solutions and solvents, including aqueous cleaning solution, fluid or other non-hazardous waste ("Non-Regulated Waste") provided by GFL will not be mixed, combined or otherwise blended in any quantity with any material that would render the Non-regulated Waste hazardous under applicable Regulations. CUSTOMER shall not place parts or paint guns that have been contaminated with, or otherwise introduce Contaminants into any solvent or solution provided by GFL, except as disclosed in writing to GFL. If CUSTOMER disposes of any GFL supplied solutions or solvents other than by return to GFL, title thereto will pass to CUSTOMER at the time of such disposal and GFL will have no responsibility for such disposal.

5.0. CONDITIONS OF SERVICE

- 5.1. General Conditions

 (a) Where required by application Regulation, CUSTOMER shall provide GFL with a generator number prior to GFL
- providing those Services to CUSTOMER for which a generator number is required. Title to the Waste, but not title to any Non-Conforming Waste, together with all responsibility and liability in connection therewith, shall pass to GFL upon loading of the Waste onto GFL's transport equipment or, in the event CUSTOMER (b)

delivers the Waste to a Facility, when the Waste is accepted and off-loaded at the Facility. Title to Non-conforming Waste

- shall not, at any time, pass to GFL. CUSTOMER agrees that it shall ensure a safe and suitable work site for GFL, its equipment, employees and sub-contractors. CUSTOMER hereby grants GFL the irrevocable right to access CUSTOMER's site at all reasonable times in order to provide Services, provided that GFL employees will comply with CUSTOMER's reasonable rules and regulations while at CUSTOMER's site. CUSTOMER acknowledges that GFL is not responsible for any damage to pavement or driving surfaces caused by GFL in providing the Services. CUSTOMER shall, at its sole cost and expense prepare: (i) all Waste in accordance with all applicable Regulations,
- (d) including, but not limited to container specifications for any container not supplied by GFL, and all markings and labeling of containers supplied by GFL, and (ii) all documentation requested by GFL or required by any regulatory authority(s) and/or Facility in connection with the Services to be provided by GFL. CUSTOMER shall not add or permit to be added any material or substance to any tank(s) from which GFL collects Waste, or to any Equipment, that is not consistent with its labelling, packaging or other documentation provided to GFL. GFL may, at its sole discretion, elect to accept or reject all or any quantity of Non-Conforming Waste. If GFL elects to
- GPL may, at its sole discretion, elect to accept or reject all or any quantity of Non-Conforming Waste. If GPL elects to provide services in respect of any amount of Non-Conforming Waste, such election shall not impair or operate as a waiver of any right or remedy available to GFL, including revocation of Services. GFL may return any Non-Conforming Waste to CUSTOMER for disposal by CUSTOMER at CUSTOMER 's sole cost and expense and CUSTOMER agrees to accept such return, where permitted by applicable Regulation. If Non-Conforming Waste, and the returned to CUSTOMER, GFL and CUSTOMER shall agree to the manner of disposal of the Non-Conforming Waste, in compliance with applicable and the service of the Non-Conforming Waste, in compliance with applicable and the Non-Conforming Waste, in compliance with applicable GPL and CDS 100REX shall agree to the manner of usposal of the Nort-Conforming Waste, in compliance with applicable Regulations, provided that in the absence of agreement within two (2) Business Days of notice from GFL to CUSTOMER of GFL's receipt of Non-Conforming Waste, GFL shall dispose of Non-Conforming Waste in such manner as it may reasonably determine and in compliance with applicable Regulations. CUSTOMER shall pay GFL all costs incurred by GFL in connection with the handling, storage, treatment, transportation and if applicable, disposal of such Non-Conforming Waste and any Equipment and any other material or substance contaminated by such Non-Conforming Waste as invoiced

5.2. Customer's Representations and Warranties

- CUSTOMER represents and warrants to GFL, and acknowledges that GFL is relying upon such representations and warranties in agreeing to providing the Services, that: (i) each description of any substance or material (whether oral or warranties in agreeing to providing the Services, that: (i) each description of any substance or material (whether oral or written) or sample of any substance or material provided by CUSTOMER to GFL in respect of Services to be provided by GFL, conforms to the characteristics of the substance or material provided by CUSTOMER to GFL in all material respects and is in compliance with all applicable Regulations, (ii) where CUSTOMER is not the generator of the Waste in respect of which GFL provides Services, the information provided to GFL by CUSTOMER was provided by the generator and to the knowledge of CUSTOMER after due inquiry such information is true and accurate and such generator is the owner of the substance or material provided to GFL, and (iii) Waste, provided or delivered to GFL, has not been co-mingled with another waste stream and its physical properties have not been altered. If, at any time either before or after delivery of any substance or material or substance delivered to GFL is Non-Conforming Waste, CUSTOMER shall immediately report such information to GFL. CUSTOMER further represents and warrants that all hazards and risks as applicable to the health and safety of GFL personnel while performine the Services at CUSTOMER's site have been accurately disclosed to GFL.
- (b) personnel while performing the Services at CUSTOMER's site have been accurately disclosed to GFL.

5.3. GFL's Representations and Warranties

- GFL represents and warrants that: (i) it holds all permits and authorizations required to provide the Services, (ii) it will perform the Services in compliance with applicable authorizations, permits and Regulations and in a good and (a) workmanlike manner, and (iii) the Facility(s) used by GFL for the disposal or treatment of Waste has all permits and authorizations required by applicable Regulations.
- Except as expressly stated in this Section 5.3. GFL makes no other representations and provides no other warranties of any (b) kind, express or implied (whether arising under law or equity or custom functions and protocol bound maturations of any warranties of merchantability and fitness for a particular purpose.

6.0. INDEMNIFICATION

(a)

- CUSTOMER agrees to indemnify, save harmless and defend GFL, its directors, officers, employees and agents (collectively "GFL Indemnitees") against any and all liabilities, claims, penalties imposed pursuant to Regulation or otherwise, suits and the costs and expenses incidental thereto, including reasonable legal fees on a solicitor and own clients onerwise, suits and ne costs and expenses incidental infereto, including reasonable regarices on a solicitor and own citents basis, which any GFL Indemnitees may incur, become responsible for or pay as a result of death or bodily injury to any person or any destruction or damage to any property, contamination or adverse effect(s) to the environment or any breach of the common law or of any Regulation, caused or arising out of: (i) CUSTOMER, is employees, agents or independent the Agreement, (ii) any negligent or willful act or omission of CUSTOMER, its employees, agents or independent contractors in connection with the Services and/or Equipment, (iii) Non-Conforming Waste, and (iv) Waste which becomes the subject of any governmental order or enforcement action, and/or (v) any condition at CUSTOMER's site or any site where the Service occurs at the direction of or with the authorization of CUSTOMER. GFL agrees to indemnify, save harmless and defend CUSTOMER, its directors, officers, employees and agents
- (b) (collectively "CUSTOMER Indemnitees") from and against any and all liabilities, claims, penalties, suits and the costs and expenses incidental thereto, including reasonable legal fees on a solicitor and own client basis which any CUSTOMER Indemnitees may incur, become responsible for or pay as a result of death or bodily injury to any person, destruction or damage to property, contamination of or adverse effect(s) to the environment or any breach of common law or of any Regulations, caused or arising out of: (i) GFL's breach of any term or provision of this Agreement, (ii) any negligent or willful act or omission of GFL, its employees, agents, or subcontractors in connection with the performance of the Services and/or the provision of Equipment pursuant to this Agreement.
- In the event that any claims, penalties, losses, damages, costs, expenses and other liabilities referred to above are contributed to by the breach of contract, negligence, willful misconduct or violation of law of both GFL and CUSTOMER, the parties agree that all such claims, penalties, losses, damages, costs, expenses and other liabilities will be apportioned (c) among the parties on the basis of their comparative degrees of fault.

7.0. INSURANCE AND LIMITATION OF LIABILITY

- GFL will maintain during the performance of this Agreement insurance coverage that is not less than required under applicable Regulations in each jurisdiction where the Services are performed.
- Where CUSTOMER requires GFL to acquire specific insurance coverage and/or bonding in order to perform the Services, CUSTOMER agrees to notify GFL of such requirements prior to the provision of the applicable Services. GFL reserves (b)
- the right to refuse to provide such additional insurance overage and/or bonding, in its discretion. Notwithstanding any other provision, term or condition of this Agreement, in no event shall GFL be liable to CUSTOMER or any third party(s), for any damages, claims penalties, costs or expenses whatsoever, or however characterized, whether
- pursuant to statute or the common law, which exceed the limits or coverage of GFL's insurance policies. Neither party shall be liable to the other party under or in connection with the Services for: (i) loss of actual or anticipated (d) profit, (ii) losses caused by business interruption, (iii) loss of goodwill or reputation, and/or (iv) any indirect, special, consequential, cost, loss or damage even if such cost, expense, loss or damage was reasonably foreseeable or might reasonably have been contemplated by the parties and whether arising from breach of this Agreement, tort, negligence, breach of statutory duty or otherwise.

8.0. FORCE MAJEURE. Notwithstanding any other right GFL may have at law or in equity or any other provision in this Agreement, GFL will be excused from liability for any loss and for non-performance of this Agreement, and shall be entitled to an extension of time, to the extent its Services are disrupted or delayed by any event of fire or other casualty, general labor disturbance, earthquake, tornadoes, and other acts of God, acts or omissions of government, terrorism or threats of terrorism, severe weather, severe unforeseeable market shortages to the extent such shortages excuse the performance of a supplier of equipment, materials, commodities, operating consumables or other goods by operation of law, or any other cause beyond GFL's onable control

9.0. AGENCY. CUSTOMER authorizes GFL to act as its agent for documentation and disposal purposes in connection with

10.0. ASSIGNMENT. CUSTOMER may not assign this Agreement to any third party without the prior written consent of GFL.

11.0. GENERAL

- The representations, warranties and indemnities set out herein shall survive the termination or expiration of this Agreement. (b) This Agreement shall be governed in all respects by the laws of the Province(s) in which the Services are provided.
- Notice to either party shall be given in writing and shall be sufficiently given if mailed, delivered in person or by overnight courier, or transmitted by fax or email to the address contained on the Work Order. Notices and communications given by mail shall be deemed to have been received five (5) days after the date of mailing and all other notices shall be deemed to have been received upon delivery to the address noted on the Services Order in the case of overnight courier and upon receipt of confirmation of sending for a fax transmission or email, read receipt requested.

Kensington Town Office 55 Victoria St E Kensington, PE C0B 1M0

Email: publicworks@kensington.ca

October 3, 2023

Good morning Doug,

Thank you for the opportunity to quote you on your yearly flush and video program.

Pricing is as follows:

Flush and video inspect 4670 meters of sanitary pipe \$7.05/ meter plus tax includes all travel and manpower.

Town to supply water and disposal site traffic control would be on a daily rate of \$1425.00/day plus tax

If traffic control is required in the per meter price the cost would be an additional \$2.05/meter

We are estimating 7days to complete project

Any questions do not hesitate to contact me.

Thank you for the opportunity,

Rowan Garnett Environmental Manager Phone: (506) 874-0281 Email: rowan.garnett@birchhillconst.com

Town of Kensington - Request for Decision

Date: October 4, 2023	Request for Decision No: 2023-47

Topic: Sidewalk Tractor 5-Way Blade Purchase

Proposal Summary/Background:

Town Council included the purchase of a trackless 5-Way Blade for in there 2023/24 Capital Budget. Staff requested a quote from Saunders Equipment (Sole Supplier of Trackless Equipment in Atlantic Canada). The quote came in at \$8,400.00 plus HST. Town Council's budget allocation for the blade was \$8,400.00.

Benefits:

- Will allow for more precise snow clearing.
- Will improve safety for pedestrians.
- Will allow for more efficient sidewalk snow clearing.

Disadvantages:

None noted.

Discussion/Comments:

A 5-Way Blade will allow the town to enhance efficiency and capabilities in maintaining sidewalks and other pedestrian walkways, specifically as it relates to snow clearing. It will allow for a higher level of precision which will improve safety for pedestrians. The 5-Way Blade's adjustable blade angles and positions allow for precise control, enabling smoother surfaces and precise grades.

A 5-Way Blade will allow for more versatility in snow removal activities and can be used for other maintenance related activities if required, i.e. levelling, gravel spreading, debris clearing, etc.

The purchase of a 5-Way Blade attachment for our sidewalk tractor aligns with the Town's commitment to providing high-quality sidewalk maintenance for our residents and other users.

Options:

- 1. Authorize the purchase of a 5-Way Blade, as recommended.
- 2. Not authorize the purchase of a 5-Way Blade.
- 3. Refer the matter(s) back to staff for further direction and deliberation.

Costs/Required Resources:	Source of Funding:
\$8,400.00 plus HST HST fully recoverable	2023/24 Capital Budget
Recommendation: That Town Council consider and	adopt the following resolution(s):

BE IT RESOLVED THAT Town Council authorize the Chief Administrative Officer to purchase a Trackless 5-Way Blade from Saunders Equipment Ltd. as per their quote dated July 31, 2023, in the amount of \$8,400.00 plus HST.

Net Purchase	<u>\$ 89,228.55</u>	<u>\$ 113,325.07</u>	<u>\$ 109,227.60</u>	<u>\$ 109,998.84</u>

Benefits:

- Will provide a safer tractor for staff.
- Will provide a more efficient and versatile tractor.
- Will support a local business.

Disadvantages:

None noted.

Discussion/Comments:

Even though the Bobcat Model CT5550 was the lowest price, it is not being recommended due to our previous experience with this type of tractor. We consistently have had issues with the front end of the tractor. Since we have owned the current Bobcat tractor, we have replaced the front end bearing at least nine times.

Considering the total lifecycle cost of the tractors, the fact that Kensington Agricultural Services Ltd. are located within the Town of Kensington, and the overall price difference between Kubota and John Deere (~3.6%) it is recommended that Town Council proceed with authorizing the purchase of a new tractor from Kensington Agricultural Services Ltd. as per their quote dated October 4, 2023 in the amount of \$96,200.00 plus HST.

It is further recommended that Town Council authorize the CAO to borrow the required funds through the Scotiabank over a period not to exceed ten years.

Options:

- 1. Purchase the Kubota Tractor, as recommended.
- 2. Purchase another make/model.
- 2. Not authorize the purchase.
- 3. Refer the matter(s) back to staff for further direction and deliberation.

Costs/Required Resources:	Source of Funding:
\$96,200.00 plus HST HST fully recoverable	2023/24 Capital Budget Long Term Borrowing

Recommendation:

That Town Council consider and adopt the following resolution(s):

Resolution 1

BE IT RESOLVED THAT Town Council authorize the Chief Administrative Officer to purchase a 2023 Kubota L5460 from Kensington Agricultural Services Ltd. as per their quote dated October 4, 2023, in the amount of \$96,200.00 plus HST.

Resolution 2

WHEREAS Section 164 of the Municipal Government Act R.S.P.E.I. 1988, Cap. M-12.1. authorizes a Town Council to borrow money for the completion of a capital project;

AND WHEREAS Town Council intends to purchase a 2023 Kubota L5460 Tractor from Kensington Agricultural Services Ltd. at a cost of \$110,630.00 including HST;

AND WHEREAS the amount to be borrowed will not cause the Town to exceed its legislated debt capacity;

BE IT RESOLVED that the Town of Kensington be empowered to borrow up to \$110,630.00 from the Scotiabank, under the following terms:

i repayable in full by Town Council over an amortization period not exceeding 10 years.

ii at an interest rate, as negotiated with the lender, with interest payable monthly.

iii. advances repayable on demand.

REQUEST FOR QUOTATIONS

COMPACT TRACTOR

TOWN OF KENSINGTON

Town of Kensington Box 418 Kensington, PEI C0B 1M0

QUOTATIONS DUE: OCTOBER 4, 2023

1.0 GENERAL

The following is a request for quotations for the provision of a compact tractor (<u>new or late</u> <u>model used</u>) for the Town of Kensington. There is a trade-in to be factored into the bid. The requirements of the submission are outlined in this Request for Quotations.

1.1 Background Information

Kensington is centrally located in Eastern Prince County between Malpeque Bay and New London Bay. Route 2 (Veteran's Memorial Highway), which bisects the Town, is the major arterial highway connecting the eastern and western portions of the province. Kensington is 48km west of the Provincial Capital, Charlottetown, and 13km east of Summerside, the second largest city in the Province. It is 38km from the Confederation Bridge and 109km from the Wood Islands Ferry, connecting to Nova Scotia.

The Town has a population of just over 2000 residents and a land area of just over 3.17 square kilometres. Approximately 20 percent of the population is under the age of 20 and approximately 25% is 65 years of age or older.

Throughout its history Kensington has continued to grow and to respond to the changing forces of time and in doing so has continued to thrive as a service centre. Its central location and ease of access have made Kensington an attractive place to do business. Kensington has an arterial road, a collector road and three local roads which are laid out like a spoked wheel leading to the commercial core of the Town. These roads connect Kensington to more than thirty smaller communities which make up its geographical service area. The influence of agriculture, fishing and tourism has been a major contributor to the development of the Town.

Local governance is provided by a Mayor and Town Council with day-to-day management provided by a Chief Administrative Officer. The town is responsible for the provision of the following services:

- Sewer Treatment and Collection and Central Water Supply
- Fire Protection
- Police Protection
- General Government and Administration Services (including Subdivision, Land Use and Development Control).
- Public Works and Maintenance Services (all road maintenance activities provided by the Province of PEI.
- Recreation Services

Providing a rich cultural heritage and progressive attitude, the Town continues to be an attractive community in which to live, raise a family, conduct business or just to visit. Its business and services include a

- Library, community medical centre, day care facilities, dental office, physiotherapist office, veterinary clinic, pharmacy, post office;
- Gift store, flower shop, real estate office, food and beverage establishments, gas stations, hair salons, bed and breakfast facilities, and a variety of other service related businesses;
- ▶ Royal Canadian Legion, clubs, churches, schools (K–12) and fraternal organizations.

2.0 INSTRUCTION TO PROPONENTS

2.1 Submission

The proponents shall submit one (1) copy of the sealed quotation, clearly marked with the name of the project; "Compact Tractor". The quotations are to be submitted to:

Town of Kensington PO Box 418 Kensington, PEI C0B 1M0 Attention: Geoffrey Baker, CAO Email: <u>cao@kensington.ca</u>

no later than 2:00 pm (AST) on October 4, 2023. Quotations can be submitted by hand, mail or email.

2.2 Inquiries and Amendments

All inquiries concerning this Request for Quotations are to be directed to:

Mr. Geoffrey Baker, CAO Town of Kensington P. O. Box 418 Kensington, PE C0B 1M0 Phone: 902-836-3781 Cell: 902-439-8849 Fax: 902-836-3741

All technical inquiries concerning the compact tractor specifications are to be directed to:

Mr. Doug Killam, Public Works Supervisor Town of Kensington P.O. Box 418 Kensington, PE C0B 1M0 Phone: 902-836-3781 Cell: 902-439-5202 Fax: 902-836-3741

To ensure consistency and fairness to all proponents, all firms who have received the Request for Quotations will receive any information with respect to significant inquiries in the form of written amendments or clarifications which will be sent directly to each proponent. Verbal explanations or instructions will not be binding.

3.0 TERMS AND CONDITIONS

- Submission of a quotation constitutes acknowledgment that the proponent has read and agrees to be bound by all the terms and conditions of this Request for Quotations and any addenda issued in relation to this Request for Quotations.
- The town will not make any payments for the preparation of a response to this Request for Quotations. All costs incurred by the proponent shall be borne by the proponent.
- The town reserves the right to reject any quotation and to accept any quotation notwithstanding any non-compliance with this Request for Quotations.
- The town may select any quotation for acceptance or negotiation with the proponents by selecting the quotation which the town, in its sole unrestricted discretion and on the basis of such criteria as it considers appropriate, deems to be in the best interests of the town.
- The acceptance of any quotation is subject to funding and will require approval of Town Council.
- If a quotation contains a defect or fails to comply with the requirements of the quotation documents, which in the sole discretion of the town is not material, the town may waive the defect and accept the proposal.
- This is not an offer. The town does not bind itself to accept the lowest price, or any quotation submitted.
- The town has the right to cancel this Request for Quotations at any time and to reissue it for any reason whatsoever, without incurring any liability and no proponent will have any claim against the town as a result of the cancellation or reissuing of the Request for Quotations.
- The town will not be responsible for any quotation that does not indicate the Request for Quotations name and the proponent's name.
- The town will not be responsible for any quotation that is delivered to any address other than that provided in Section 2.1 of this Request for Quotations.

- If a contract is to be awarded as a result of this Request for Quotation, it will be awarded to the proponent whose quotation, in the town's opinion, provides the best potential value to the town and is capable in all respects to perform fully the contract requirements and the integrity and reliability to assure performance of the contract obligations.
- Proponents may not amend their quotation after the closing date and time but may withdraw their quotation at any time prior to acceptance by the town.
- Quotations will be evaluated as soon as practicable after the closing time.
- The quotation, accompanying documentation, and any reports, drawings, etc. submitted by the proponents are the property of the town and will not be returned. Each quotation should clearly identify any information that is considered to be confidential or proprietary information.
- Prices shall be quoted using Appendix A, Quote Sheet and will be in Canadian dollars and inclusive of duty (if applicable), delivery charges (FOB Town of Kensington Public Works Department), and exclusive of HST and other taxes and charges which shall be shown separately as applicable.
- The quotations shall remain open for acceptance for a period of not less than sixty (60) days from the closing date of this Request for Quotations.

4.0 TERMS OF REFERENCE

4.1 Scope of Work

The Town of Kensington is seeking quotations for the provision of a compact tractor (<u>new</u> <u>or late model used</u>) through a three-to-five-year lease (with end of term buy-out option), straight purchase or financing option. The mandatory minimum requirements for the compact tractor are outlined in section 4.2. Quotations shall include pricing for three-, fourand five-year lease terms with end of term buy-out options as well as pricing for straight or financed purchase. Quotations shall be submitted on the attached Bid Form (separate forms if multiple bids are submitted) and any information pertaining to finance and leasing options shall be provided as a supplement to the Bid Form. There is a trade-in consideration for a Bobcat Tractor, to be included on the Bid Form.

4.2 Mandatory Minimum Requirements

4.2.1 Please submit pricing based on the following minimum requirements:

- Compact Cab Tractor
- Minimum 50 horsepower
- Hydrostatic Drive with Turf Tires
- Mid and Rear PTO
- Cab with heat and A/C
- Air ride seat

- Quick attach bucket (minimum 60")
- 2 Dual valve bank on tractor (rear)
- Four-wheel drive
- Work lights
- Heated Windows
- Rear view mirror kit
- Radio and speaker kit
- Back up alarm kit
- Beacon light
- Horn kit

4.2.2 Please provide additional equipment option pricing on the following:

- Backhoe Attachment
- Snowblower Attachment

4.2.3 Please provide pricing on the following servicing requirements:

- Comprehensive servicing package
- Minimum 3-year warranty (parts, labour & freight)
- Replacement tractor of similar style during service and maintenance periods

4.2.4 Trade-In

The Trade-in unit is a 2010 Bobcat Model CT335 with 2651 hours and includes a loader and snowblower attachment. The unit is available for viewing by contacting Doug Killam, Public Works Supervisor at (902) 439-5202.

A. SPACIOUS CAB

N

The new cab is 20 percent more spacious than previous and ergonomically designed to improve comfort and operations. What's more, you get more legroom and increased headroom.

B. COLD CLIMATE CAB

Responding to the cold climate conditions the new Grand L60 Series cabs offer rear window defogger, rear wiper, rear work lights and a large capacity alternator as standard equipment.

C. ONE-PIECE HOOD

The front grill is now integrated with the hood for easier opening and closing for more convenient engine inspections and maintenance.

D. TWO-TIERED HEADLIGHTS

In addition to the lower forward headlights, the upper front side lights provide a wider field of view when operating in the dark or in enclosed buildings like a shed or barn.

E. WORKLIGHTS

Standard Cab Equipment

- · AC/Heater with Internal/External Ventilation
- 12 Volt Power Outlet
- Amp Alternator
 Front Wiper and Washer
 Front Work Lights
- Interior Light
- Door-mounted Side Mirrors
- · Deluxe High-back Reclining Seat with Swivel
- Wide Fenders
- Rear Windshield Wiper
- Rear Window Defogger
- Rear Work Lights
- Two Rear Remotes

Optional Cab Equipment

- Radio/Cassette/CD Player
- Air-Ride Seat

NEW GRAND CAB[™]

Step inside the Grand L60 cab and discover spaciousness beyond expectation. Interior space has been increased by approximately 20 percent over the previous version, and glass has been used extensively to minimize blind spots for a grander view of your surroundings. What's more, you get wider opening doors for easier cabin entry and exit, a deluxe swivel-type suspension seat, more legroom, ample headroom and abundant storage compartments to store all your necessities and manual.

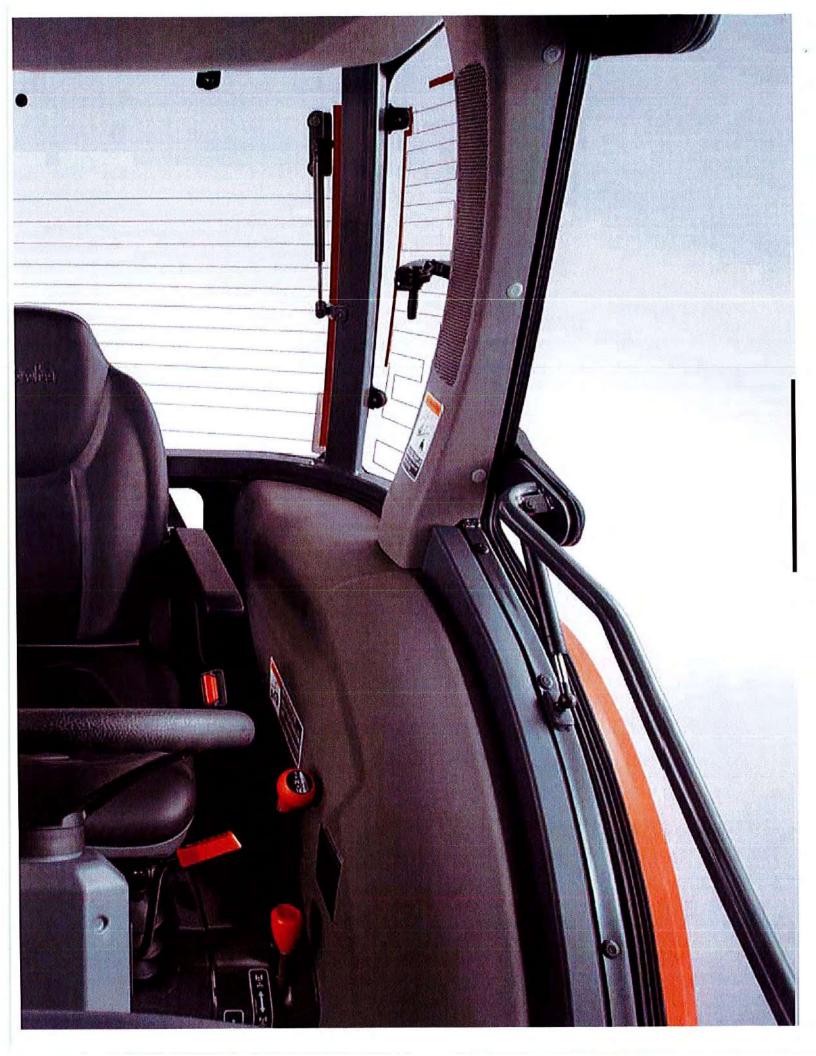

AIR CONDITIONING WITH INTERNAL RECIRCULATION AND EXTERNAL AIR VENTILATION

The cab's deluxe air conditioner/heater can increase cooling, heating and air ventilation for greater climate control. You can switch between internal recirculation and external air ventilation: cool your cab quickly and thoroughly with the internal recirculation mode, and the air in the cab will stay fresh. The dual-level AC system, with a 7° – 14°F temperature differential, directs cooler air to the operator's upper body while sending warmer air toward the feet. And interior design offers more headroom.

Air Flow

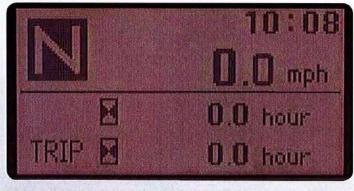

Now you can have clean, filtered air in the cab, fresh from outside, with the simple flick of a switch. The increased ventilation helps prevent windows from fogging.

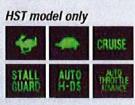

Standard Indicators

The IntelliPanel's standard indicators display the hour meter, trip meter, fuel consumption, PTO revolutions, HST information, particulate matter accumulation, and maintenance information on the large and easy-to-read screen. The information can be switched easily with button operation. Furthermore, warning indicators, scheduled service alerts and DPF regeneration are also indicated on the panel to keep you informed at all times.

0		
Ð	(P)	

E. DISPLAY MODE

A simple touch of the menu's down button lets you make changes to the Standard indicator's digital information screen.

F. AUTO THROTTLE ADVANCE (only with HST models)

G. CRUISE

To keep a constant working speed, simply adjust the cruise control seesaw switch to your desired speed—and go.

H. UPPER FRONT SIDE LIGHTS SWITCH

The upper front side lights switch is close at hand when you need extra visibility to the sides.

I. COLUMN-TYPE COMBINATION LEVER

This new combination switch allows you to operate the headlights and indicators with car-like ease.

COMFORTS ERGONOMIC

B

G

The Grand L60 boasts a wide range of deluxe features and functions to reduce fatigue and maintain productivity. With reduced noise and vibration levels, an improved deluxe seat, power steering and a cup holder, you can rest assured that your comfort comes first—so much so that you might forget you're working.

の認識

The new suspension seat is specially designed to absorb shock to provide a comfortable ride even in harsh working conditions, and includes a handy swivel function. The optional Air-Ride seat adjusts its cushion to match your physique to provide optimal comfort even when negotiating rough terrain. It even includes a storage location for the manual.

B. MORE LEGROOM

The operator's seat has been positioned more to the rear for extra legroom. This not only enhances riding comfort, but makes getting in and out of the cab easier as well.

C. NEW LEVER LAYOUT

For easier access and smoother operation, the loader, hitch and remote levers are grouped on the right-side console.

D. TILT STEERING WHEEL

The steering wheel delivers an extra-wide tilt angle for maximum comfort. Just step on the adjustment pedal, tilt the steering wheel and lock for the most comfortable operating position. Step on the pedal again to unlock the wheel for easy tractor mounting and dismounting.

DESIGN

Low Noise and Low Vibration

With less noise and vibration levels, you can keep working in comfort. This helps to eliminate operator fatigue, especially after long hours on the job.

Loader Control Lever Location

Because the Grand L60's loader valve and control lever are integrated into the tractor as standard equipment, the control lever is positioned close to the operator for improved operability, easier access and less fatigue.

E. POWER STEERING

Responsive hydrostatic power steering makes every job easier. Straight-a-ways and tight turns alike are taken smoothly, while steering remains easy and worry-free when a heavy load is applied or the front loader is used.

F. ELECTRIC PTO SWITCH

Our PTO switch makes PTO operation easier than ever. Conveniently located on the side console, one push and turn starts and stops the PTO.

G. ROUNDED FENDER/WIDE STEP

The Grand L60's fender and wide step deck feature provide a larger, more comfortable stepthrough area.

H. CUP HOLDER

The cup holder is within easy reach whenever you need to quench your thirst.

I. EASY POWER SUPPLY ACCESS

The power supply is located behind the seat for easier access.

A

CLEAN ENGIN TRANSMISSIC

Get all the power you demand while wasting less with Kubota's line of clean-emission Common Rail direct injection engines for the Grand L60 Series. Choose from three state-of-the-art transmissions according to your needs: HST (Hydrostatic Transmission) Plus, GST (Glide Shift Transmission) or FST (Fully Synchronized Main and Shuttle Transmission).

Common Rail System (CRS) with Exhaust Gas Recirculation system (EGR) and Diesel Particulate Filter (DPF) Muffler

The CRS electronically controls the timing and amount of injected fuel providing high-pressure injections in stages, rather than all at once for an optimal combustion rate that results in greater efficiency, better fuel economy and less engine noise. Its combination with the Diesel Particulate Filter (DPF) Muffler and Exhaust Gas Recirculation system (EGR) reduces emissions to meet the latest emission regulations.

NEW KUBOTA ENGINES

The Grand L60's engine lineup has been redesigned for cleaner emissions and outstanding fuel economy. Common Rail direct injection is employed to deliver greater fuel savings and lower emissions while maintaining a high level of power and torque. Its combination with the Diesel Particulate Filter (DPF) Muffler and Exhaust Gas Recirculation system (EGR) reduces emissions to make the engines compliant with the Tier IV emission regulation.

GST (4WD)	•	•	•	•		
FST (4WD)	•	•				

HST PLUS (Hydrostatic Transmission)

Tackle any task with ease and efficiency. With extraordinary precision, HST Plus' automated control of both the HST pump and drive motor gives you optimal performance, regardless of the task, working conditions, or operator expertise.

GST (Glide Shift Transmission)

Kubota's exclusive GST features 12 speeds and clutchless operation for maximum operator ease. And, thanks to its electronically controlled hydraulic shifting system, the Grand L60's GST allows you to shift on the go with exceptional response.

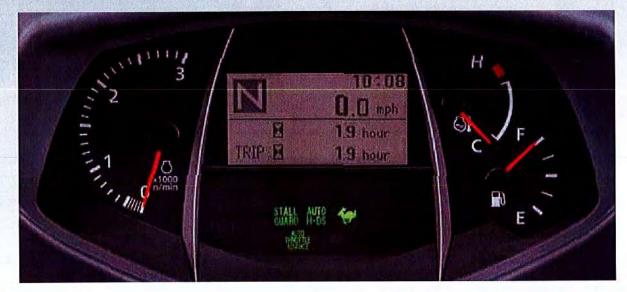

FST (Fully Synchronized and Shuttle Transmission)

Kubota's economical FST delivers the smooth and efficient shifting of eight forward and eight reverse gears while on the move,

HST PLUS

Kubota's HST Plus offers professional control with easy operation.

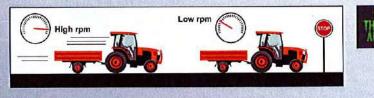

Throttle-Up Switch

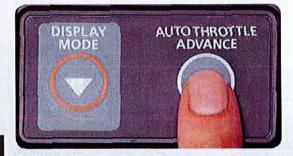

Kubota's new Throttle-Up Switch located on the loader lever gives you the power you need with just one push to get jobs done quicker and easier. Speed adjustments can be made according to your preference from the IntelliPanel. It allows you to easily set the engine speed needed for loader work without having to use a hand throttle even while operating the lever. As engine speeds can be raised only when required, the Throttle-Up Switch enhances fuel efficiency, and keeps the engine noise down when not in use.

y

Auto Throttle Advance

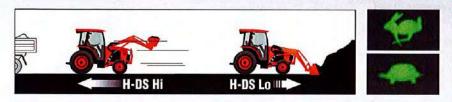

Thanks to the Auto Throttle Advance feature, driving the Grand L60 is simple and easy. This function links the HST pedal and the engine throttle, synchronizing tractor speed and engine revolution. This greatly simplifies tractor operation and helps reduce fuel consumption. All you need to do is turn the Auto Throttle Advance on and off with a push of a button and depress the HST pedal to control tractor speed and engine revolutions. This feature is especially handy when moving between locations or when towing a trailer.

Hydro Dual Speed (H-DS) HST Hi-Lo Function

Kubota's HST Plus gives you more control. Featuring three speed ranges, it includes a steering column lever to shift between high and low speeds for each range, expanding your options to six total speeds. Once your preferred range is set, you can easily shift the H-DS between the high and low speeds while moving. And with a simple touch of the Mode Selection button, you can activate the Auto H-DS for automatic Hi/Lo shifting. Whether you're doing loader work or driving up a slope, you'll appreciate this versatility and efficiency.

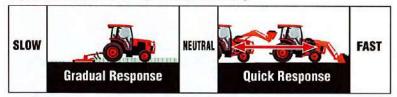

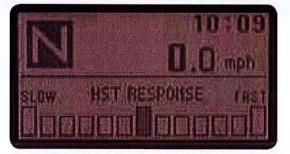

OSPEED

HST Response Control

Kubota knows that different situations require different start or stop responses. The HST response speed can be adjusted with easy push button operation. If your task requires a quick response, you can push the button to the FAST setting. This setting is ideal for use during loaderrelated chores. If the job at hand needs a more gradual response, as used for turf work, push the button to SLOW. When your preferred response speed has been selected, you won't need to make any more adjustments with the foot pedal. It's that easy.

HST Mode Selection Stall Guard Plus Auto H-DS

Choose from three HST mode settings with a simple push of a button from the IntelliPanel to help you get your work done easier. Manual mode puts you in complete control of the tractor. Kubota's Stall Guard PLUS protects the engine and PTO from stalling in heavy-duty applications. Finally, AUTO H-DS (Auto Hydro Dual Speed) enables automatic Hi/Lo shifting, and in conjunction with Stall Guard PLUS, keeps your tractor running optimally at all times.

Mode	Stall Guard Plus	Auto H-DS	STALL
Mode 1	Off	Off	GUARD
Mode 2	On	Off	AUTO
Mode 3	On	On	H-DS

Note: Mode 2 is the default setting.

HYDRAUL & PTO

The Grand L60's state-of-the-art PTO and hydraulic systems are engineered to deliver power and reliable performance. Meticulously designed to give you the utmost control and maximum versatility, the Grand L60 ensures smooth and effective operation.

A. FRONT LOADER HYDRAULIC VALVE

Kubota has designed an integral Front Loader Valve as part of the tractor. With this valve, you can quickly and easily attach the front loader and other front-mounted implements. The valve promotes efficient, clutter-free operation and matches the sleek styling of the tractor. If you don't require a front loader or other front-mounted implements, an optional Diverter Kit is available to allow the loader valves to function as rear remotes.

3-POINT HYDRAULIC CYLINDERS

The Grand L60's 2-tandem large hydraulic cylinder delivers an impressive 3-Point Hitch lift capacity. The system is externally mounted for easy maintenance.

REMOTE HYDRAULIC CONTROL VALVES (Optional)

The Grand L60 can include three Remote Hydraulic Control Valves for a greater selection of hydraulically powered implements. For operators, this versatile system translates into a convenient and cost-efficient alternative. Two rear remotes are standard equipment on all Grand L60 Cold Climate Cabs.

B. LIVE-INDEPENDENT PTO

The hydraulically activated Live-independent PTO clutch allows both the rear- and mid-PTOs to be independently engaged/disengaged while the tractor is still in motion. And because the lever's located in a convenient position, activating the independent PTO is easy. In addition, a Neutral/Auto Shut-off system and protective flip-up shields are included for total PTO safety and productivity.

C. TELESCOPIC LOWER LINK ENDS

A wide range of implements can be used with the 3-Point Hitch. Quick and simple hook-ups can be achieved via the standardequipped telescopic lower link ends.

MID-PTO (Optional)

NA.

HST

Kubota offers a semi-independent Mid-PTO for all Grand L60s that can be used with a variety of performance-matched front-mounted snow blowers or sweeper brooms.

4-WHEEL DRIVE

The 4-wheel drive of the Grand L60 provides superior pulling power and traction in almost any working condition. The front-wheel-drive bevel gear delivers a smooth and full-power transfer. Combined with its 55° steering angle and compact differential, the Grand L60's 4-wheel drive gives you the maneuverability and exceptional clearance you need for a wide range of applications. With their impressive lifting power, easy-access control lever operation, ultra-fast dump cycles, and simple connectivity, the Grand L60's performance-matched LA555, LA805 and LA1055 front loaders carry their own weight and more.

DADER

RONT

LA555/LA805/LA1055 FRONT LOADERS

Designed to match the performance of the Grand L60 Series, our front loaders ensure precise operation and improved productivity. With the standard-equipped front loader valve and lever, the front loaders feature outstanding lift capacity and lift height for an impressive performance with each load. Plus, loader lift and bucket dump cycle speeds are amazingly fast. Optional on the LA805 and LA1055, the quick coupler allows up to 8 hoses to be attached and removed simultaneously". The curved boom design matches the hood, and with the hydraulic tubes enclosed, the Grand L60 has a sleek look. "Not available on LA555

A. MECHANICAL 2-LEVER QUICK COUPLER (Standard) HYDRAULIC 2-LEVER QUICK COUPLER* (Optional)

The front loader can also be used with the standard mechanical or optional hydraulic quick coupler attachments, such as buckets, pallet forks and bale spears. Simple to attach and detach, these handy functions don't require the use of tools, saving time and effort. *'Not available on LA555*

B. THIRD FUNCTION HOSE QUICK COUPLER* (Optional)

To broaden the scope and capabilities of your front loader applications, the Grand L60 is available with a third function hose quick coupler to operate attachments such as a 4 in 1 bucket. Attaching and detaching is possible with just a single touch. *Not available on LA555*

C. NEW ROD INDICATOR

This handy function helps you keep the bucket in a level position at all times, by allowing you to even check the normally hard-to-see raised bucket position.

*LA555 equipped only with Grand L40 type rod indicator

D. SPILL GUARD* (OPTIONAL)

The hydraulically controlled spill guard tilts the bucket forward as the loader is raised, thus reducing the spilage of the bucket's contents. This makes filing and dumping easier and increases efficiency. *Not available on LA555*

E. QUICK ATTACH/DETACH LOADER

This convenient system saves valuable time by letting you attach and detach the loader from the tractor. The mounting pins and hose couplers can be removed from the operator's seat, without tools.

F. SINGLE-LEVER JOYSTICK

BACKHOE

BH77 Backhoe

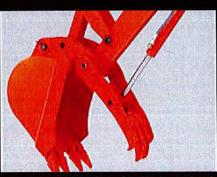

Our BH77 backhoe is a great solution when you're working in small or restrictive areas. It offers easy attachment and detachment and can dig to depths of 7.6 feet. The BH77 is compatible with the Grand L ROPS models*. *L3560 ROPS models only.

BH92 Backhoe*

Our new performance-matched BH92 backhoe boasts a new curved boom, designed for digging deeper. This versatile backhoe features a standard thumb bracket for adding an optional hydraulic or mechanical thumb. The BH92 is compatible with the Grand L ROPS and Cab models.

* The L3560 model must be equipped with LA805 loader to install BH92 backhoe. (Cannot be installed with LA555 loader.)

Note: Shown with optional hydraulic thumb.

- A. Ample Digging Force
- **B. Protected Hoses**
- C. Curved Boom
- D. Cast Steel
- E. Optional Hydraulic Thumb
- F. Optional Quick Coupler

WIDE LEGROOM

Our full-flat deck gives you ample legroom. This makes operation more comfortable and mounting and dismounting the tractor easy.

HYDRAULIC AND MECHANICAL THUMBS*

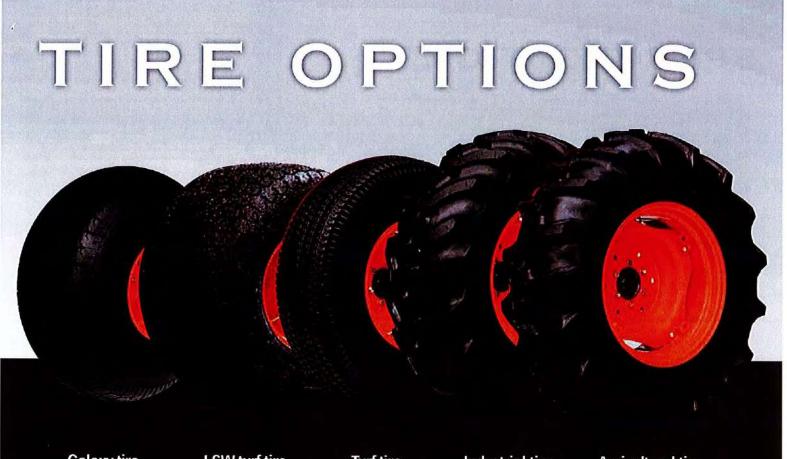

Our optional auxiliary hydraulic control valve and hydraulic thumb give you greater versatility when working with the backhoe. The BH77 and BH92 are equipped with a built-in thumb bracket as standard equipment. An optional six-position mechanical thumb is also available. *Optional hydraulic thumb is only available on BH92.

A

QUICK ATTACH/DETACH

The less time you spend between jobs, the more productive you become. To this end, the BH77 and BH92 are equipped with a quick attach/detach mounting system. This makes attaching or detaching the backhoe a snap. So you can quickly move on to your next job.

Town of Kensington - Request for Decision

Date: October 5, 2023	Request for Decision No: 2023-49
	(Office Use Only
Topic: Self Contain Breathing Apparatus (SCBA	A) Replacement – Fire Department
Proposal Summary/Background:	
Town Council included the replacement of fo	our self-contained breathing apparatuses for the Fire
Department in their 2023/24 Capital budget.	
Quotes were requested from K&D PRATT Ltd.	., T&K Fire Equipment Ltd. And Cummings Fire and
Safety Equipment Ltd. The quotes came in as for	llows:
K&D PRATT - \$42,049.00 plus HST	
T&K Fire - \$50,255.76 plus HST	
Cummings - \$46,880.00 plus HST	
·	nitted a funding application through the Provincial
	g Program and included Auto Extrication Equipment
	Department subsequently requested that the Auto
	plication and that the SCBA replacement be included.
This has been approved by the Provincial Fire	Marshalls Office and the funder. Under the funding
agreement the Fire Department would be respon	sible for 25% of the cost (approximately \$10,512.25).
Benefits:	
• Will provide fire fighters with up to date.	, compliant equipment.
• Will provide a safer fire response for fire	
- will provide a safet file response for file	115h015.
Disadvantages:	

• None noted.

Discussion/Comments:

It is recommended that Town Council award a contract for the supply of four self-contained breathing apparatuses and associated equipment from K&D Pratt. as per their quote dated September 20, 2023 in the amount of \$42,049.00 plus HST.

Options:

- 1. Award a contract to K&D Pratt., as recommended.
- 2. Award the contract to one of the other bidders.
- 3. Not award the contract.
- 4. Refer the matter back to staff for further deliberation.

Costs/Required Resources:	Source of Funding:
\$42,049.00 plus HST HST is fully recoverable.	2023/24 Fire Department Capital Budget
	Fire Department - \$10,512.25 RGI - \$31,536.75

Recommendation:

It is recommended that Town Council consider and adopt the following resolution:

BE IT RESOLVED that Town Council award a contract for the supply of four self-contained breathing apparatuses and associated equipment to K&D Pratt as per their quote dated September 20, 2023 in the amount of \$42,049.00 plus HST.

Town of Kensington - Request for Decision

Date: October 5, 2023		Request for Decision No: 2023-50
		(Office Use Only)
Topic: Development Permit A	pplication – Tra	vellers Rest Mini Homes Ingham Drive - Lot 21-4
Proposal Summary/Backgrou	nd:	
A development permit applica	tion has been	received from Trevor Moase, owner of the property
located at Ingham Drive – Lo	t 21-4 (PID No	. 1158161), to facilitate the installation of an 8' high
security fence around the perim	eter of the prope	erty.
Benefits:		
• N/A		
Disadvantages:		
• N/A		
Discussion/Comments:		
The development permit applic	cation was revie	wed against the Town's Development Control Bylaw
and Official Plan and is found t	o be in general c	compliance therewith.
Options:		
1. Approve the developme	nt permit applic	ation, as proposed.
2. Not approve the development permit application.		
3. Refer the matter(s) back	to staff for furt	ner direction and deliberation.
Costs/Required Resources:	Source of F	unding:
-		

Recommendation:

It is recommended that Town Council consider and adopt the following resolution:

BE IT RESOLVED THAT Town Council approve a development permit application submitted by Trevor Moase, for the construction of an 8' high fence along the perimeter of a property located along Ingham Drive – Lot 21-4 (PID No. 1158161), subject to compliance with all relevant federal, provincial and municipal legislation and regulations.

Date: 00+2 2023

Town of Kensington - Request for Decision

Date: October 5, 2023	Request for Decision No: 2023-51
Topic: Town of Kensington Rink Upgrades – 20	023 – Solar Panel Installation
Proposal Summary/Background:	
The Town recently issued tender documents, thr	rough WSP, for the supply and installation of 128 new
Photovoltaic modules at the Credit Union Cen	tre. The tendered project also included the supply &
installation of two (2) new 24kW 208V, 3-phase	AC invertors.
The Solar Panel Installation project tender clo being received as follows:	osed on Thursday, September 28, 2023 with one bid
• Hansen Solar Energy - \$103,443.04 plus	HST
	be awarded to Hansen Solar Energy in the amount of set for a total of 9 weeks with the project start date set ecember 10, 2023.
Benefits:	
• Will provide an eco-friendlier option	for the Credit Union Centre.
• Will provide a more cost-efficient opt	tion for the facility.
Disadvantages:	
• None noted.	
Discussion/Comments:	
It is recommended by the CAO that Town Cour	ncil proceed with the award of the tender of the Credit

It is recommended by the CAO that Town Council proceed with the award of the tender of the Credit Union Centre Solar Panel Installation to Hansen Solar Energy as they were the sole bidder, and their tender was deemed compliant. The project is funded through the Investing in Canada Infrastructure Plan – Community, Culture and Recreation Stream (ICIP-CCR). The original solar panel component of the project budget (applied for) was set at \$345,000.00 plus HST and contingency. Due to limitations on the allowable kW permitted and available space for the installation, the lowest tendered bid being \$103,443.04 plus HST, resulted in an underage of approximately \$241,550 plus HST.

Given the price increases on other components of the overall project, staff will evaluate the total actual cost and determine if there are additional funds remaining from the original allocated budget. Staff will complete the analysis and provide the information to Town Council once complete.

Options:

- 1. Award the tender, as recommended.
- 2. Not award the tender.
- 3. Refer the matter(s) back to staff for further direction and deliberation.

Costs/Required Resources:	Source of Funding:
\$103,443.04 plus HST	ICIP – CCR Stream
(HST fully recoverable)	40% Federal Contribution
	33.3% Provincial Contribution
	26.67% Municipal Contribution (Long Term Borrowing)

Recommendation:

That Town Council consider and adopt the following resolution(s):

BE IT RESOLVED THAT Kensington Town Council award the contract for the supply & installation of solar panels at the Credit Union Centre to Hansen Solar Energy as per their tender submission in the amount of \$103,443.04 plus HST.

- REQUEST FOR QUOTATION -

TOWN OF KENSINGTON RINK UPGRADES - 2023 PV SYSTEM INSTALLATION

INTRODUCTION

The Town of Kensington is a growing community located in central Prince Edward Island. Kensington has a lot to offer in terms of services to its residents and visitors. One of the integral parts of this expanding community is its ice hockey rink, Credit Union Centre, located at 25 Garden Drive in Kensington.

The purpose of this request is to obtain a quotation for the supply and installation of a new photovoltaic (PV) system for the Credit Union Centre.

SCOPE OF WORK

The general scope of work is as follows:

- Supply and installation of:
 - → Approximately 58kW of PV Modules affixed to the south wall of the existing Credit Union Place.
 - \rightarrow DC wiring to a string invertor located on the building exterior.
 - \rightarrow Two (2) 24 kW string invertors 208-volt 3-phase.
 - \rightarrow 2 runs of AC conductor (TECK90) through the existing corridor to the existing 208-volt splitter trough with a fused disconnect switch in the existing electrical room on the Northeast corner of the building.

ADDITIONAL DETAILS

- All correspondence and questions related to this work during tender call shall be directed to WSP, 195 MacEwen Road, Summerside, PE C1N 5Y4, Telephone (902) 436-2669 or email cj.mccardle@wsp.com.
- It is the intent of the Town of Kensington to have the installation and commissioning of all items completed within the 2023 calendar year. The anticipated award date for this project will be October 10th, 2023, and ordering/ manufacturing of all necessary parts and equipment is expected to commence immediately after notice of the contract award.
- Bidders are advised that the 128 modules are to be oriented in 2 rows of 64 modules in portrait directly to the south-facing exterior wall.
- Bidders are advised that other Contractors may be working within the facility during the expected construction period. It will be the awarded Contractor's responsibility to coordinate with these Contractors such that project delays are mitigated. The Town of Kensington shall not be responsible for delays caused by others.
- Refer to Appendix A for specifications on the supply and installation of the new PV system.
- Refer to Appendix B for photographs of existing conditions.

- Please complete the attached quotation sheet (Schedule of Unit Prices) and deliver to the Town of Kensington Town Office located at 55 Victoria Street E, Kensington, PEI, no later than 1:00PM on the date stipulated in the Tender Posting Notice.
- Bidders are required to enter into a Unit Price Contract for the project. The unit price provided is to cover all labour, materials, equipment, etc., required for a complete finished project. Any items which are clearly necessary for the completion of the work or its appurtenances shall be considered a portion of the work and included in the unit price quoted, whether or not directly stated. Unit prices will be established by completing the "Schedule of Unit Prices" attached to the tender form. The Schedule of Unit Prices is to be used for reference and comparison of tenders.
- The cash allowance shall be utilized for unforeseen items that may arise during construction or other items that the Owner may require included in the work. The cash allowance shall not be used for items for which an established unit rate has been given during tendering. An amount of Five Thousand dollars (\$5,000.00) shall be allocated to this item and has been shown as a separate item within the schedule of unit prices.
- Bidders are advised that due to budgetary restraints, the scope of the project may have to be diminished in total cost in order to meet available funding. The Owner reserves the right to reduce or omit any item as deemed necessary in order to meet budgetary restraints to a maximum of 50% of the overall bid price. No change in unit price or extra charge will be allowed for changes in project scope as described above.
- All equipment shall have a minimum one-year warranty on parts, equipment and installation.
- The Contractor is to review the existing building framing to determine the appropriate building connection details. Details shall be provided to the Engineer for review. All required connection costs are to be included in the appropriate item in the schedule of unit prices.
- It should be noted that the Town of Kensington reserves the right to reject the lowest tender, or any tender, if deemed it is in the Town's best interest.
- The Contractor, without limiting its obligations or liabilities herein and at its own expense, provide and maintain the following insurances in forms and amounts acceptable to the satisfaction of the Town of Kensington prior to commencement of any work:
 - Comprehensive General Liability in an amount not less than \$5,000,000. inclusive per occurrence against bodily injury, death and property damage, with a property damage deductible not exceeding two thousand five hundred dollars (\$2,500.00). The Town of Kensington, WSP Canada Inc. and the Government of P.E.I. are to be added as insured under this policy. Such insurance shall include, but not be limited to the following:
 - a. Products and Completed Operations Liability;
 - b. Owner's and Contractor's Protective Liability;
 - c. Blanket Written Contractual Liability;
 - d. Contingent Employer's Liability;
 - e. Personal Injury Liability;
 - f. Non-owned Automobile Liability;
 - g. Cross Liability;
 - h. Employees as Additional Insureds;

- i. Broad Form Property Damage; and
- j. Operation of Attached Machinery;
- k. Shoring, blasting, excavating, under- pinning, demolition, removal, pile driving and caisson work, work below ground surface, tunnelling and grading as application;
- I. Elevator and Hoist Liability
- m. Sudden and Accidental Pollution Liability
- n. Fire Fighting Expense Liability.
- 2. Automobile Liability on all vehicles owned, leased, operated, or licensed in the Contractor's name in an amount not less than \$2,000,000.00.
- 3. All the foregoing insurance shall be primary and not require the sharing of any loss by any insurer of the Town of Kensington, WSP Canada Inc., and/or the Government of P.E.I. and preclude subrogation by the insurer against the aforementioned parties.
- 4. Proof of Insurance; certified copies of the required insurance, as mentioned, must be presented to the Town of Kensington at the time of signing of the contract and shall be subject to the Town of Kensington's approval for adequacy of protection. Approval by the Town of any policy filed by the Contractor shall in no way relieve the Contractor of its obligations to provide the insurance referred to in the contract, nor shall it imply that the policies are in accord with the terms of this agreement.
 - a. All insurance shall be endorsed to provide the Town 60 days advance written notice of cancellation or material change.
 - b. All insurances shall be in effect until issuance of the "Certificate of Final Acceptance" and for the duration of the Warranty Period.
 - c. The Contractor hereby waives all rights of recourse against the Town of Kensington, WSP Canada Inc., and the Government of P.E.I. with regard to damage to the Contractor's property.
 - d. The Contractor shall require and ensure that each subcontractor maintains liability insurances comparable to that required above.
 - e. Claims made to policies must have a 3-year extended reporting option on their policy.
 - f. The Contractor agrees to indemnify and save harmless the Owner and the Owner's Representative from any and all costs, charges or expenses howsoever arising out of any breaches in the insurance coverages or part thereof.
- 5. Property damage deductible shall be two thousand five hundred dollars (\$2,500.00) per occurrence.

LIST OF DRAWINGS

Not Applicable

1 SECTION 26 05 00 ELECTRICAL GENERAL CONDITIONS

1.1 <u>GENERAL</u>

- .1 Section 00001, General Instructions, is a part of this Section and shall apply as if repeated here.
- .2 This Section 26 05 00 shall apply to and govern the Work of all Sections of this contract from Section 26, 27 and 28 inclusive.
- .3 Do complete installation in accordance with CSA C22.1-2021 and all Provincial Bulletins in force at time of tender.

1.2 <u>SCOPE OF WORK</u>

- .1 Include the furnishings of all labour, material, tools, and equipment required to complete the work as specified hereinafter or as indicated on the drawings, including but not necessarily limited to the following:
 - .1 Power System
 - .2 PV Modular System
 - .3 PV Racking System
- .2 The scope of work shall see the:
 - .1 Supply and Installation of
 - .1 approximately 58kW of PV Modules affixed to the south wall of the existing Credit Union Place.
 - .2 DC wiring to a string invertor located on the building exterior.
 - .3 Two (2) 24 kW string invertors 208-volt 3 phase
 - .4 AC conductor in conduit to the existing 208-volt splitter trough with a disconnect switch.

1.3 MATERIALS AND EQUIPMENT

.1 Supply and install the materials or equipment specified herein, or as indicated on the drawings, or "approved equal". Name materials or equipment shall be provided unless otherwise instructed in writing.

1.4 SHOP DRAWINGS

- .1 Submit one (1) copy of general arrangement drawings of all equipment or apparatus for proposed installation.
- .2 The review of such drawings, or of the revised drawings, shall not relieve the contractor from responsibilities for error contained in the said contractor's drawings, or his notification to the Engineer or both.
- .3 Shop drawings will be submitted for:
 - .1 PV Modular
 - .2 String Invertor
 - .3 DC AND AC Conductor
 - .4 Disconnect Switch and Fuse
- .4 All electrical equipment shall bear the C.S.A. approval label and shall be in accordance with the Canadian Electrical Code where it applies.

1.5 DRAWINGS

.1 Not Applicable

1.6 DISCREPANCIES

- .1 It is the intention of the plans and specifications to describe a complete project and therefore bidders and/or contractor finding discrepancies in, or omissions from the drawings, specifications, or other documents, or having any doubts as to the meaning or intent of any part thereof shall at once request written instructions or explanations which will be sent to all bidders.
- .2 Oral instructions will not be binding.
- .3 Addenda, bulletins or corrections, issued during the time of bidding are to be covered in the tender and shall become a part of the contract documents.

1.7 <u>CO-OPERATION WITH OTHER TRADES</u>

.1 Confer with all other trades engaged on the project and arrange all work so as to be carried out in the best interests of all concerned.

1.8 EXAMINATION OF SITE

- .1 Before tendering, examine the site and the local conditions affecting the work under this division of the specifications, availability of space for storage and shacks, and all other items which might influence his tender.
- .2 No allowance will be made later for any expense incurred through failure to make this examination.

1.9 PERMITS, FEES AND CERTIFICATES

- .1 Supply for, obtain, and pay for all permits and inspections required. Provide to the Owner all certificates necessary as evidence that the work installed conforms to the laws and regulations of all authorities having jurisdiction, including inspection certificates for all electrical wiring.
- .2 Provide to the inspection authorities all plans as may be required to comply with regulations. Contract plans may be used for this purpose; however, if additional drawings or sketches are required, they will be prepared by the Contractor.
- .3 Pay all charges for service connections to all Municipal or Utility Company services.
- .4 All changes and alterations in work required by authorities having jurisdiction shall be carried out without charge or expense to the Owner.

1.10 COMPLIANCE WITH CODES

.1 Obey all government, municipal and underwriter's regulations, etc., and perform all work in accordance with the requirements of by-laws enforced in the area where the building is to be erected. The Canadian Electrical Code shall not reduce standards established by this specification or plans.

1.11 LABOUR AND WORKMANSHIP

- .1 All workmanship shall be the best and the whole installations made with a view for facilitating inspections and repairs.
- .2 All tradesmen employed by this contractor for this work shall be properly licensed journeymen and apprentices qualified to do work in each particular trade.

1.12 INSTRUCTIONS AND EXTRAS

- .1 During construction, instructions may be necessary for the clarification and correction of the work. All such instructions shall be binding as if same were embodied in these specifications.
- .2 Where extra work is required, the necessary instructions for the inclusions of same in the work will be issued and all quotations shall be itemized to show unit material costs, labour costs, overhead, subtrade costs and profit.
- .3 All payments for the work described as extra will be based on the written documents concerning same.

1.13 GUARANTEES

- .1 Furnish the Owner a written guarantee covering all materials and workmanship and free service for one (1) year, from date of final written acceptance of the entire contract.
- .2 This guarantee shall entail the repair or replacement of all materials installed under this Division without charge to the Owner except where, in the opinion of the Engineer, such repair or replacement was caused by improper use or lack of maintenance on the part of the Owner.

1.14 RETURN OF DRAWINGS

.1 At the completion of the job, all drawings and specifications shall be returned, regardless of their condition.

1.15 PLANS FOR RECORDING CHANGES

.1 Obtain one set of white prints and record thereon any alterations of the routing of conduit, wiring, etc., or show on the contract drawings. These drawings to be kept up to date and turned over at the completion of the project.

1.16 CLEANING UP

.1 All refuse and debris caused by this contractor shall be removed from the site at frequent intervals. Before the work is finally accepted by the Owner, this contractor shall thoroughly clean all equipment, apparatus and fixtures and leave them in perfect and new condition.

1.17 INSTRUCTIONS TO OPERATORS

- .1 Instruct the Owner's operator in the care maintenance and operation of all electric systems and equipment installed under this specification.
- .2 Prepare three (3) copies of Operation and Maintenance Instructions, Shop Drawings, Wiring Diagrams, Descriptive Literature for each item of equipment supplied. Combine these together in loose-leaf binders.
- .3 These loose-leaf binders shall be presented upon completion of the project.
- .4 The above binders shall contain data at least on the service entrance equipment, all light fixtures, lighting and power panels and emergency lighting units.

1.18 NAME PLATES

.1 All apparatus shall have proper name plates affixed thereto, showing serial number, size, name of equipment and all information usually supplied, including voltage, phase, hertz and horsepower of motors and the same of the manufacturer and his address. All, stamped, etched or engraved lettering on plates shall be perfectly legible.

1.19 FINISHES

- .1 Shop finish metal enclosure surfaces by removal of rust and scale, cleaning, application of rust resistant primer inside and outside, and at least two coats of finish enamel.
- .2 Clean and touch up surfaces of shop-painted equipment scratched or marred during shipment or installation to match original paint.
- .3 Clean, prime and paint exposed hangers, racks, and fastenings to prevent rusting in wet areas.

1.20 INSPECTION AND TESTS

.1 All work shall be left open for inspection so that inspection may be made before the work is covered.

1.21 LOAD BALANCE

.1 Measure phase current to panel boards with normal loads operating at time of acceptance. Adjust branch circuit connections as required to obtain best balance of current between phases.

1.22 NOISES AND VIBRATIONS

- .1 This contractor shall install all equipment and materials in a manner to limit noise level. Where transformers, ballasts, etc., are creating objectionable noise levels, this contractor shall take necessary corrective measures without charge to the Owner.
- .2 Flexible conduit connections shall be used to connect rotating and vibrating machines.

1.23 FIRESTOPPING AND SMOKE SEALS

- .1 All fire stopping and smoke seals required to properly accommodate the work of this Division shall be the financial responsibility of Division 26, and carried out by trades to the applicable ULC approved system of one of the approved Manufacturers provided in this document. Trades personnel must be trained by the manufacturer and provide documentation stating same.
- .2 Where material pass through fire rated walls, floors and partitions, an ULC approved fire stopping and smoke seal system shall be used to maintain or exceed the fire separations rating.
- .3 Provide ULC drawings for each site-specific penetration at the shop drawings stage.
- .4 Work must be performed by a company with experience in the application of fire stopping and smoke seals to ULC requirements.
- .5 Standard of Acceptance: Hilti, Tremco and 3M

1.24 LOCATION OF OUTLETS

.1 Not Applicable

1.25 IDENTIFICATION

- .1 All exposed ducts, conduit, pull boxes, junction boxes, etc., shall be clearly marked to indicate the nature of the service. All panel boards shall be stenciled on the top inside of the door to indicate the function and voltage of the panel and legends type written to indicate the areas controlled by each branch circuit. All terminal strips shall be indexed, wires colour coded and main feeders colour coded at both ends. All disconnect switches and motor starters shall be identified on the outside to indicate their function.
- .2 Identification labels shall be embossed plastic adhesive tape.

1.26 OUTLET BOXES

.1 Each light, switch, receptacle, telephone or other outlet, shall be installed in a suitable sized sheet steel box, completely galvanized of an approved type where concealed and a cast threaded conduit type box where surface mounted. Boxes shall be flush with finished surfaces. Voids around sheet steel boxes shall be filled.

1.27 PULL BOXES

.1 Supply and install pull boxes where required to facilitate the present or future installation of conductors and at least every 30 metres in straight runs of conduit.

1.28 SUPPORTS

.1 Where necessary for the installation of the equipment and materials supplied under this Division of the specification, supply and install all necessary supports, inserts and hangers.

1.29 SLEEVES AND OPENINGS

.1 Provide and set all necessary sleeves in walls, floors, ceilings or roofs and also all frames and openings for the passing of conduit, etc. The accurate location of the sleeves, frames and openings shall be this contractor's responsibility. Fireproof all sleeves penetrating fire barriers and make waterproof when penetrating exterior walls.

1.30 PENETRATING VAPOUR BARRIERS

.1 It is the intent not to run any wires or pipes in exterior walls or attics. Wires are to be run in interior walls and in corridor ceiling. Where wires and boxes must penetrate vapour barriers, such penetrations shall preferably be drilled where vapour barrier has solid backing and in all cases complete air tightness shall be achieved by caulking and taping.

7 SECTION 26 26 00 PHOTOVOLTAIC SYSTEM

PRODUCTS

7.1 PHOTOVOLTAIC MODULES

- .1 All photovoltaic modules used for each site shall be of a single manufacturer and model, with identical specifications.
 - .1 Shall include minimum 25-year power output warranty.
 - .2 Modules shall have a positive-only power tolerance.
 - .3 Shall demonstrate tolerance for winter operation, including snow loading, corrosion, and low-temperature operation. Panel must be rated for a minimum snow loading of 5400Pa and minimum wind load of 2400Pa.
 - .4 Panel dimensions shall be a maximum 1032mm wide x 2205mm long x 35mm deep.
 - .5 Maximum weight per panel shall be a maximum 25.0 kg.
- .2 Types permitted:
 - .1 Monocrystalline silicon
- .3 Minimum Module Efficiency at STC: 20%
- .4 Efficiency Reduction at 200W per m2: Less than 5 percent reduction
- .5 Tolerance: Minus 0 to plus 3 percent.
- .6 Maximum system voltage rating: 1000V DC
- .7 Maximum Temperature Coefficient Magnitude of Pmax: 0.35% per °C (negative)
- .8 Ambient temperature rating: Minimum -20°C to 40°C
- .9 Performance/design requirements:
 - .1 CAN/CSA-C61215 (Crystalline silicon PV design qualification and type approval)
 - .2 [IEC 61215-1 (PV modules general requirements)]
 - .3 [IEC 61215-1-1 (Crystalline silicon PV design qualification and type approval)]
 - .4 [IEC 61215-1-2 (CdTe PV design qualification and type approval)]
 - .5 [IEC 61215-1-3 (Amorphous silicon PV design qualification and type approval)]
 - .6 [IEC 61215-1-4 (CIS/CIGS PV design qualification and type approval)]
 - .7 [IEC 61215-2 (PV modules –quality test requirements)]
 - .8 CAN/CSA-C22.2 No. 61730-1 (PV module safety requirements for construction)
 - .9 CAN/CSA-C22.2 No. 61730-1 (PV module safety requirements for testing)
 - .10 IEC 61701 (salt mist corrosion testing)
 - .11 ULC/ORD-C1703 (flat-plate PV modules and panels)
 - .12 Loading:
 - .1 Frames capable of withstanding loads of not less than 50 psi (2400 Pa) in a variety of mounting methods.
 - .2 Frames capable of meeting IEC extended snow load requirements of not less than 113 psf (5400 Pa) when using traditional mounting at the bolt holes.
- .10 Application Class, CAN/CSA-C22.2 No. 61730: [Class A][Class B][Class C]

Town of Kensington	Outline	
PV System Installation	Specification	September 2023
Kensington, PE	-	Page 11

- .1 Class B modules shall not be used where accessible to the public or installed 3m or less above grade.
- .11 Panel surface: Low glare material
 - .1 Low-iron, high-transmission tempered glass
 - .2 Anti-reflective coating or stippled glass/light trapping surface

7.2 MOUNTING SYSTEM

- .1 The mounting system shall firmly secure the panels accounting for wind loading, snow drifting, etc. The Solar panels shall be anchored to the frame using machine screws and bolts, self-tapping screws are not permitted.
- .2 The mounting system shall be designed for installation on an exterior wall and be flush mounted to the wall.
- .3 The mounting system shall allow for individual modules to be tipped forward or up for ease of access to the roof for any repairs which may be required over the lifetime of the system.
- .4 The mounting system shall aim to consist of a minimal number of parts per panel installed.
- .5 Penetrating rail-based or PVC plastic mounting systems will not be considered for this application.
- .6 The mounting system shall include a grounding lug to facilitate ground requirements.
- .7 The mounting system shall include a wire management system to facilitate installation and protection of cabling.

7.3 STRING INVERTER

- .1 Invertor Type
 - .1 String Inverter with minimum input rating of 24,000W.
 - .2 Output voltage of 208VAC shall be used to facilitate connection with distribution system.
 - .3 The inverter shall be capable of connecting up to four strings of modules.
- .2 Modbus or Modbus-RTU communication shall be accepted with a gateway for communications protocol translation to DNP3.
- .3 Inverter shall function as the rapid shutdown as an integrated feature.
- .4 Certifications:
 - .1 CSA C22.2 No. 107.1
 - .2 CAN/CSA-C22.2 No. 62109-1:16
- .5 DC Input:
 - .1 Voltage: selected to optimize system energy output
 - .2 Grounded monopole
- .6 AC Output
 - .1 Three-phase balanced, isolated
 - .2 Voltage: to match site connection voltage
- .7 Ambient temperature rating: Minimum -20°C to 60°C
- .8 MPPT
 - .1 Number of Channels: selected to optimize system energy output
 - .2 Voltage range: selected to optimize system energy output
- .9 Isolation transformer: integrated into inverter.

Town of Kensington	Outline	
PV System Installation	Specification	September 2023
Kensington, PE	-	Page 12

- .10 Ground fault detection and interruption (GFDI):
 - Integral protection to detect and interrupt PV array DC ground faults.
 Daily pre-start protection to measure array conductor insulation resistance to ground.
 - .2 Continuous monitoring of ground return current and interruption of ungrounded conductors on ground faults. GFDI fuses in the DC grounding conductor not permitted.
 - .3 Inverter AC output shall be interrupted on DC ground faults.
 - .2 Provide ground fault trip functions on AC output circuit breakers where PV system connects to the utility service through ground fault trip devices.
- .11 Arc fault circuit interrupter (AFCI): [SPEC NOTE: on DC systems 80V and above]
 - .1 Integral protection to detect and interrupt series and short arcing faults in PV array.
 - .2 Inverter AC output shall be interrupted on DC arc faults.
- .12 Efficiency: [98% minimum efficiency at standard test conditions]
- .13 Interconnection relaying:
 - .1 Anti-islanding protection
 - .2 3-phase imbalance or loss of phase
 - .3 Frequency and voltage limits
- .14 Manufacturers
 - .1 Fronius, SMA, Canadian Solar, Solar Edge

7.4 RAPID SHUTDOWN DEVICE

- .1 Rapid Shutdown Device (RSD) shall be readily accessible and located within sight and within 9m of the photovoltaic array.
- .2 The RSD shall be capable of accommodating eight (8) strings at minimum 1000VDC and 20A in a pass-through configuration.
- .3 The RSD shall communicate with the inverter through 24V controls wiring.

7.5 MICRO INVERTER

.1 Not Applicable

7.6 ELECTRICAL INTERCONNECTION

.1 The system shall include all required materials and equipment and all work necessary to facilitate the interconnection of the PV system to the local distribution system.

7.7 EQUIPMENT IDENTIFICATION

.1 Provide equipment identification in accordance with Section 26 05 00 - Common Work Results and as indicated on Electrical drawings.

EXECUTION

7.8 MANUFACTURER'S INSTRUCTIONS

- .1 Compliance: comply with manufacturer's written recommendations or specifications, including product technical bulletins, handling, storage and installation instructions, and datasheets.
- .2 Energy Efficiency: Verify equipment is properly installed, connected, and adjusted.

- .3 Verify that equipment is operating as specified.
- .4 Comply with ASTM E1799 Standard Practice for Visual Inspections of Photovoltaic Modules.

October 04, 2023

Mr. Geoff Baker, CAO Town of Kensington 55 Victoria Street E Kensington, PE COB 1M0

Subject: Kensington CUC Upgrades – PV System Installation- Tender Recommendation

Dear Mr. Baker:

Tenders were received for the above project at 1:00 PM, Thursday, September 28, 2023, and have been reviewed and verified and are attached for your reference.

A summary of the tenders is as follows:

Low Bidder	Bid Amount	Construction Duration
Hansen Solar Energy	\$118,959.50	Oct 10/2023 to Dec 10/2023 (9 construction weeks)

Other Bidders

N/A

It is therefore recommended that the contract be awarded to the low bidder, Hansen Solar Energy, in the amount of \$118,959.50, including HST, if the necessary funds are available. Please note that the panel configuration submitted by Hansen Solar is not ideal, and WSP will continue to work with Hansen on a configuration that will best suit the Credit Union Centre.

A copy of the tender documents is enclosed for your records. Please contact me if there are any questions regarding the above.

Best regards,

Encl. WSP ref.: 231-00178-00

Town of Kensington - Request for Decision

Date: October 6, 2023	Request for Decision No: 2023-		
Topic: Donation to Humane Society Buildin	ng Campaign		
Proposal Summary/Background:			
The PEI Humane Society is in the process	s of building an addition to the Humane Society Complex in East		
Royalty, Charlottetown. The PEI Human	e Society serves all of the Island and assists the Province and		
Municipalities in dealing with municipal ani	imal control bylaws and the Provincial Dog Act.		
Their mandate on the website is as follows:			
"At the PEI Humane Society we strive to go	above and beyond the requirements for animal welfare standards		
put forward by the Canadian Advisory Council on National Shelter Standards in the Canadian Guidelines for			
Standards of Care in Animal Shelters.			
These guidelines help us continue to have the	he highest standards of care.		
Our Animal Protection Officers assist the pr	ovince by enforcing the Animal Welfare Act of PEI, as well as		
dealing with humane complaints, municipal	by-laws and the <u>PEI Dog Act</u> ."		
The PEI Humane Society held a capital cam	paign to raise funds to construct the required facilities on their		
location and construction has started. The construction project that commenced has now been paused due to			
unforeseen cost increases and the capital ca	mpaign has now been restarted in an effort to raise the required		
funds to complete the project.			
The Town of Kensington is a beneficiary of	the services provided by the Humane Society and we have not		

made a donation to the Capital Campaign. We have made donations on occasion to the operating costs of the Humane Society.

Benefits:

- Enable the PEI Humane Society to continue to meet the needs of the Province and Municipalities.
- 2. Provide larger and improved facilities to meet their mandate.
- 3. Provide a required service for the entire province of Prince Edward Island.
- 4. Ensures the Humane Society is available to continue to provide services to Kensington.

• None noted

Discussion/Comments:

As a municipality, our Public Works Department and our Police Department have taken advantage of the services of the PEI Humane Society. With the development of the new Dog Act on Prince Edward Island, we see the need for this society to continue to be strong. To do this they need to be able to provide the necessary facilities.

In speaking with Chief Sutherland, he has advised that they have used the services of the Humane Society on many occasions and have found them a value-added service. To date, they have not charged us anything for the service.

In 2018, 2019 and 2020 the Town of Kensington has contributed to the Humane Society through memorial donations, sponsorship of golf tournament fundraisers, and other annual donations to the operating expenses of the Society. We have made no donations since then.

2018 \$300

2019 \$450

2020 <u>\$151</u>

Total \$901

Options:

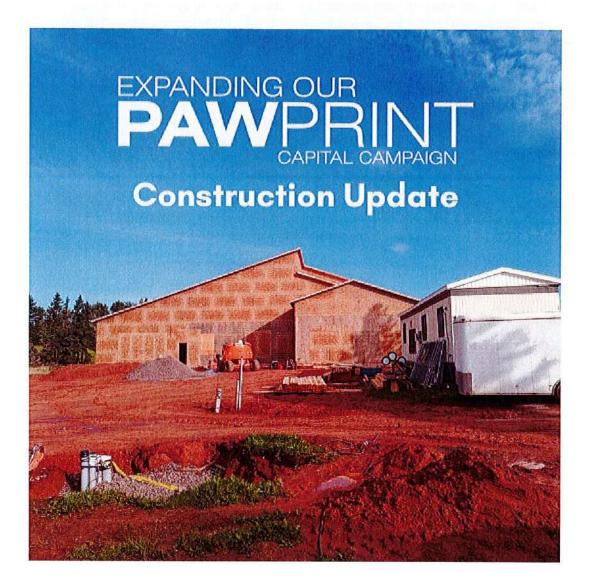

- 1. Make a donation, as recommended.
- 2. Not make a donation.
- 3. Recommend a different donation.

Costs/Required Resources:	Source of Funding
\$2,000/year \$10,000 over a five-year period	General Government – Donations and Grants

Recommendation:

It is recommended that Town Council approve the following resolution:

BE IT RESOLVED THAT Kensington Town Council approve a donation to the Capital Campaign for the PEI Humane Society in the amount of \$2,000 per year for a five-year period, to total \$10,000.

The PEI Humane Society regrets to inform you that due to significant unforeseen cost increases, we have been forced to make the difficult decision to pause construction on our new animal shelter. This decision is made after careful consideration from our board of directors and shelter management team and it has been decided that the project will be put on hold until funding is secured.

We are looking at all opportunities to secure funding that will allow us to continue construction as soon as possible, but for the time being, we are asking for your patience and understanding as we work through this difficult time.

It's often said that we live in unprecedented times, and pausing this important project is evidence of that. Despite our best efforts, the costs of this build have far exceeded our budget in ways that we could not have prepared for. Though our management and design teams came together to create a budget with room for growth, many tenders came in above our highest estimates, putting the project over budget rapidly.

We are very optimistic about our ability to raise the needed funds to ensure this project is able to move forward and we hope to send you another letter soon letting you know when we're able to resume construction. We have received untold levels of support from donors just like you and we couldn't be more thankful for your unwavering belief in the important work we do.

In the meantime, please feel free to share our message of need with those around you. Our community has been a tremendous help to us during this challenging project and we know that we can count Islanders and our broader community of supporters to keep our spirits up.

With our deepest thanks,

The PEI Humane Society Team

This pause in construction does not impact shelter operations.

If you wish to get involved:

Town of Kensington - Request for Decision

Date: October 6, 2023	Request for Decision No: 2023-53			
	(Office Use Only			
Topic: Mechanical Floor Scrubber – Credit Union Centre				
Proposal Summary/Background:				
Town Council included an automatic floor scrubber for the Credit Union Centre in their recently				
approved application to the Province of PEI's Rural Growth Initiative Funding Program. A floor				
scrubber will be a valuable tool for the Cred	it Union Centre staff in that it will allow for more			
efficient, consistent, and cost-effective floor cle	eaning. They are commonly used on rinks across PEI;			
Tyne Valley, Slemon Park, North Rustico, etc.				
Quotes were requested from ULINE, Global	Industrial, and Castle Building Supplies for a 20"			
automatic floor scrubber with traction. The quot	es came in as follows:			
ULINE \$6,943.00 plus HS	ST			
Global Industrial \$6,002.00 plus HS	ST			
Castle Building Supplies \$7,868.70 plus HS	ST			
Benefits:				
• Will allow staff to clean effectively.				
• Will allow staff to clean larger areas quid	ckly.			
• Will provide more consistent cleaning.				
• Will allow staff to work safely.				
Disadvantages:				
• None noted.				
Discussion/Comments:				

It is recommended that Town Council award a contract for the supply of a 20" automatic floor

scrubber with traction drive, for the Credit Union Centre, from Global International, as per their quote in the amount of \$6,002.00 plus HST.

Options:

- 1. Award a contract to Global International, as recommended.
- 2. Award the contract to one of the other bidders.
- 3. Not award the contract.
- 4. Refer the matter back to staff for further deliberation.

Costs/Required Resources:	Source of Funding:	
\$6,002.00 plus HST HST is fully recoverable.	2023/24 Credit Union Centre Capital Budget	
	Credit Union Centre - \$1,500.50	
	RGI - \$4,501.50	
Recommendation:		

It is recommended that Town Council consider and adopt the following resolution:

BE IT RESOLVED that Town Council award a contract for the supply of a 20" automatic floor scrubber with traction drive, for the Credit Union Centre, from Global International, as per their quote in the amount of \$6,002.00 plus HST.

Compact Auto Floor Scrubber - 20"

Suck up dirly water as you scrub. Keep basement floors shiny.

- Cordiess. Fold-down handles for compact storage.
- 10" non-marking polyurefinane rear wheels.
- Includes two 12V AGM batteries and on-board battery charger.
- Battery provides up to 120 minutes of operation.
- 11-gallon solution tank. 12-gallon recovery tank.

J Powered by 3/4 peak horsepower brush motor that offers 180 RPM

Clean large surface areas quickly and efficiently with the Clobal Industrial[™] Auto Floor Scrubber with Traction Drive. This automatic floor scrubber offers superior cleaning for heavy duty scrubbing and cleaning applications and is constructed with rotationally molded polyethylene housing that is corrosion-and impact-resistant for longevity. Includes two 12V 100Ah batteries with 4.5 hours of run time per charge, and features both large capacity solution and recovery tanks for low maintenance. Its battery charger is powered by the Airvolt® battery management system technology for optimal charging with a digital controller for longer run time. The exclusive soft start technology helps extend the life of the floor scrubber. Scrub brush and floor pads sold separately. 1-Year Limited Warranty.

Includes:

- · Heavy-duty cast aluminum squeegee and blades
- 15-gallon solution and 17-gallon recovery tank
- Battery charger .
- 20" scrubber

Best regard,

Spring Valley Building Center and its rental department appreciate the opportunity to participate in this tender to obtain the Floor Scrubber for the Town of Kensington for which we have two appropriate quote options for you.

1- Auto Walk-Behind Floor Scrubber 20" Cleaning Path Model 641264.

Price \$6,418.44 plus HST.

2- Auto Floor Scrubber with Traction Drive 20" Cleaning Path Model 641244.

Price \$7,868.70 plus HST.

Thank you for the opportunity to help with your needs.

If you decide to order one of these important tools or further assistance, please do not hesitate to contact me.

Regards,

JORGE LONDONO Rentals Department Manager Spring Valley Building Centre T. (902) 836.4289 springvalleybc.ca

AUTO WALK-BEHIND AND FLOOR SCRUBBER WITH TRACTION, GLOBAL NDUSTRIAL BRAND.

Each machine will come with a 20" Buffing pad, Red, 5 Per Case.

Both have the same shape; the only difference is the second one in the quote comes with traction.

Town of Kensington - Request for Decision

Date: October 6, 2023	Request for Decision No: 2023-54			
	(Office Use Only			
Topic: 2023 Christmas Promotion – Evening Programing Sponsorship				
Proposal Summary/Background:				
For at least the past ten years, the Kensington	Mayor has done a radio Christmas greeting through			
MBS Radio. MBS Radio includes the following	ng radio stations: Q93, SPUD 102, and CFCY. The			
greeting typically included a Christmas Greeting	ng from the Mayor on behalf of Town Council and			
staff, and an invitation to the Mayor's Levee on	New Year's Day, at a cost of approximately \$550.00.			
In 2023, it is being proposed that the Town sponsor a radio Christmas program instead. There are				
multiple options included within the attached Promotional Opportunities Proposal.				
Benefits:				
•				
Disadvantages:				
• None noted.				

Discussion/Comments:

It is being recommended that Town Council approve a sponsorship in the amount of \$784.00, for the Unwrapping Christmas Program with SPUD FM, held nightly from 8pm to 9pm, Monday to Friday (December 5 – December 25). The sponsorship also includes 2×10 second ID's during the show and 28 commercials per week for a minimum of two weeks.

Options:

- 1. Authorize the Sponsorship, as recommended.
- 2. Not authorize the sponsorship.
- 3. Refer the matter back to staff for further deliberation.

Costs/Required Resources:	Source of Funding:
\$784.00 plus HST	General Government - Advertising
HST is fully recoverable.	
Recommendation:	

It is recommended that Town Council consider and adopt the following resolution:

BE IT RESOLVED that Town Council approve a sponsorship in the amount of \$784.00, for the Unwrapping Christmas Program with SPUD FM, held nightly from 8pm to 9pm, Monday to Friday (December 5 – December 25).

2023 Christmas Promotion Opportunities

2023 CFCY Santa's Hotline

Children across the Island are welcome to call
Santa as he makes his valuable time available.
Program airs weekdays from 5:30pm to
6:00pm, from December 4th - December 22nd

2 Promotional Messages per day, 7 days per week for Santa's Hotline, brought to you by "Business Name" between December 4th – December 22nd

2 x 30 second personal ads during the Hotline (M-F), for a total of 10 commercials weekly for this highly engaged audience.

42 X 30 Second Commercials for three weeks! (6a-7p)

Total Investment - \$3,906 (6-total sponsors)

Countdown to Christmas

Every day between December 1 and December 24th we will remind our audience of how many shopping days left until Christmas.

As a Sponsor you Receive;

✓ Client receives name mention ins 3 promos daily

✓ 28 Commercials per week (4 week minimum)

CFCY - \$3,808

Max 93.1 - \$2,352

SPUD - \$1,568

Open for one Sponsor per station.

Deadline November 15th

It Feels Like Christmas

Listen to Gip Forester's heart-warming Christmas storytelling this holiday season airing 3 times daily from November 28 to December 24

As a Sponsor you Receive;

- ✓ Client receives name mention in 93 shared sponsor intros (3 per day)
- ✓ 28 Commercials per week (4 week minimum)

CFCY - \$3,808

- Max 93.1 \$2,352
 - SPUD \$1,568

Open for two non-competing sponsors per station

Deadline November 15th

Evening Programming

Every evening (M-F) unwrap the stories, songs and the sounds of Christmas from December 5 – December 25

As a Sponsor you Receive;

✓ 2 x :10 second id's during the show

✓ 28 Commercials per week (2 week minimum)
