TOWN OF KENSINGTON ZONING & SUBDIVISION CONTROL (DEVELOPMENT) BYLAW

This Bylaw is made under the authority of the Planning Act, R.S.P.E.I.1988, Cap.4 and the Municipalities Act RSPEI.

BE IT ENACTED by the Council of the Town of Kensington as follows:

1. Scope

1.1. Title

This Bylaw shall be known and may be cited as the **Town of Kensington Zoning and Subdivision Control Bylaw** or the **Development Bylaw**.

1.2. Area Defined

This Bylaw applies to the geographical area within which the Town of Kensington Council has jurisdiction.

1.3. Scope

No dwelling, business, trade, or industry shall be located, nor shall any building or structure be erected altered, used or have its use changed, nor shall any land be divided, consolidated or used in the Town of Kensington, except in conformity with this Bylaw and subject to the provisions contained herein.

1.4. Authority of Development Officer

Council shall appoint a Development Officer whose duties shall be as provided in this Bylaw. The Development Officer shall have the authority to administer this Bylaw. Notwithstanding the foregoing, the Development Officer shall have the authority to approve or deny development permits in accordance with this Bylaw in all areas except for:

- 1) Commercial

- 2.85 "Wetland"** - means lands commonly referred to as marshes, saltmarshes, swamps, bogs, flats and shallow water areas that are saturated with water long enough to promote

wetland or aquatic biological processes which are indicated by poorly drained soil, water-tolerant vegetation, and biological activities adapted to a wet environment.

2.86 "Yard" - means an open, uncovered space on a lot pertinent to a building and unoccupied by buildings or structures except as specifically permitted in this Bylaw.

- i. **"Front Yard"** - means a yard extending across the width of a lot between the front lot line and nearest wall of any building or structure on the lot and "minimum front yard" means the minimum depth of a front yard on a lot between the front lot line and the nearest main wall of any building or structure on the lot.
- ii. **"Rear Yard"** - means a yard extending across the width of a lot between the rear lot line and the nearest wall of any main building or structure on the lot and "minimum rear yard" means the minimum depth of a rear yard on a lot between the rear lot line and the nearest main wall of any main building or structure on the lot.
- iii. **"Side Yard"** - means a yard extending from the front yard to the rear yard of a lot between a side lot line and nearest wall of any building or structure on the lot, and "minimum side yard" means the minimum width of a side yard on a lot between a side lot line and the nearest main wall of any main building or structure on the lot.
- iv. **"Flankage Yard"** - means the side yard of a corner lot which side yard extends from the front yard to the rear yard between the flankage lot line and the nearest main wall of any building or structure on the lot.

2.87 "Zone" - means a designated area of land shown on the Official Zoning Map of the Bylaw within which land uses are restricted to those specified by this Bylaw

3. Development Zones

3.1. Development Zones

For the purpose of this Bylaw, the Town is divided into the following development zones, the boundaries of which are subject to section 3.2 as shown in Appendix "A" on the Official Zoning Map. Such zones may be referred to by the appropriate symbols.

ZONE SYMBOL

Mini Home Court	RM1
Single Family Residential	R1
Two-Family Density Residential	R2
Multiple Family Residential	R3
General Commercial	C1
Neighbourhood Commercial	C2
Heritage District	HD
Industrial	M1
Agricultural Reserve	A1
Public Service and Institutional	PS1
Recreation and Open Space	O1
Environmental Reserve	O2

3.2. Interpretation of Zone Boundaries

Boundaries between zones as indicated in Appendix "A" shall be determined as follows:

- Where a zone boundary is indicated as following a street or highway, the boundary shall be the centre line of such street or highway.
- Where a zone boundary is indicated as following lot or property lines, the boundary shall be such lot or property lines.
- Where a zone boundary is indicated as following the limits of the Municipality, the limits shall be the boundary.
- Where none of the above provisions apply, the zone boundary shall be scaled from the original zoning map lodged with the municipality.

3.3. Official Zoning Map

Appendix "A" may be cited as the "Official Zoning Map" and forms a part of this Bylaw.

3.4. Certain Words

In this Bylaw, words used in the present tense include the future; words in the singular number include the plural; the word "shall" is mandatory and not permissive; and the word "he" includes "she".

3.5. Units of Measure

All official measurements are in metric. Where imperial measurements are provided they are for information purposes only.

4. General Provisions for All Zones

4.1. Development Approval

- 1) No development or demolition shall be undertaken until an application has been made to the Town and the Development Officer has issued a development permit.
- 2) Notwithstanding section 4.1 (1) for the purpose of this Bylaw:
 - a) laying paving materials for patios, driveways or sidewalks;
 - b) constructing fences of less than 6 feet in height;
 - c) installing clotheslines, poles, and radio or television antennae, except satellite dishes;
 - d) installing inflatable swimming pools or children's play equipment;
 - e) making a garden;
 - f) growing a crop or preparing land for a crop;
 - g) installing public or private utilities within the public Right of Way;
 - h) roofing, shingling or siding;
 - i) repainting;
 - j) chimney maintenance or chimney rebuilding;
 - k) replacement of windows and doors;
 - l) any other development that involves the interior or exterior renovation of a building that will not change the shape, dimensions, footprint and will not add more dwelling units or will not result in a change in use of the building;
 - m) making landscaping improvements or constructing ornamental structures of less than 64 sq. ft.;
 - n) other routine maintenance which has the effect of maintaining or restoring a structure or any of its elements to its original state or condition; shall not be interpreted as changing the use of land or a structure or constructing or replacing a structure and shall not require a permit from Council.

4.2. Permit Application

- 1) Any person applying for a permit shall do so on a form prescribed by Council, and shall submit the application to the Administrator.
- 2) Every application form shall be signed by the property owner or the property owner's authorized agent, and shall be accompanied by an application fee in accordance with a fee schedule, which the Council shall establish.

4.3. Payment of Fees

Notwithstanding any Section of this Bylaw, development permits are not valid and will not be recognized until the application fee and any other required fees are paid in full and the said permit is acquired by the developer.

4.4. Development Permit

- 1) A development permit shall be valid for a twelve month period, or such additional time as may be authorized by Council.
- 2) Council may revoke a development permit where information provided on the application is found to be inaccurate.

4.5. Site Plan

Council may require an applicant to submit a site plan drawn to a convenient scale certifying the agreement of the applicant to develop the site in accordance with the plan. Council may require a site plan including existing and proposed elevations.

4.6. Conditions on Permits

Council or its agent shall have the authority to impose conditions on a permit subject to such conditions being directly related to or consistent with bylaws of the Town or the Official Plan.

4.7. Development Agreement

Council may require any applicant to enter into a Development Agreement. This Agreement shall be a contract binding on both parties, containing all conditions which were attached to the building permit. Failure to comply with a Development Agreement shall constitute an offense under this Bylaw.

A development agreement may address but shall not be limited to the following matters:

- a) site design;
- b) the design and construction cost of sidewalks, pathways and other pedestrian access matters;
- c) landscaping and screening;
- d) vehicular accesses and exits;
- e) signage;
- f) security and safety lighting;
- g) architectural harmony;
- h) methods of waste disposal;
- i) fencing; and
- j) any other matters that Council deems necessary to ensure the health, safety and convenience of Community residents and the travelling public.

4.8. Existing Non-conforming Lots

- 1) Notwithstanding any other provisions of this Bylaw:

- a) a vacant lot held in separate ownership from adjoining parcels on the effective date of this Bylaw, having less than the minimum width, depth or area required, may be used for a purpose permitted in the zone in which the lot is located and a building may be erected on the lot provided that all other applicable provisions in this Bylaw are satisfied;
 - b) a lot containing a structure and held in separate ownership from adjoining parcels on the effective date of this Bylaw, having less than the minimum frontage, depth or area required by this Bylaw, may be used for a purpose permitted in the zone in which the lot is located, and a development permit may be issued provided that all other applicable provisions in this Bylaw are satisfied; and
 - c) no person who owns a lot held in separate ownership from adjoining parcels on the effective date of this Bylaw, having less than the minimum frontage, depth or area required by this Bylaw, shall be deprived of the ability to make reasonable use of the lot in accordance with the zone in which it is located, and where such a person makes application for a development permit, Council may:
 - i) waive rear yard, front yard or side yard setback requirements to an extent that is reasonable and feasible and does not compromise safety, convenience or the aesthetic character of the neighbourhood and may issue a permit; or
 - ii) apply procedures set out in this Bylaw for the handling of variances if the variance from the required rear yard, front yard or side yard setback is substantial.
- 2) Council may approve an increase in the area of any undersized lot notwithstanding that it may still have less than the minimum frontage, depth or area required by this bylaw, provided that this increase does not further reduce an adjacent lot which may be below the standard set out in this Bylaw.

4.9. Non-conforming Buildings

Where a building has been erected on or before the effective date of this Bylaw on a lot having less than the minimum frontage or area, or having less than the minimum setback or side yard or rear yard required by this Bylaw, the building may be enlarged, reconstructed, repaired or renovated provided that:

- a) the enlargement, reconstruction, repair or renovation does not further reduce the front yard or side yard or rear yard which does not conform to this bylaw; and,
- b) all other applicable provisions of this Bylaw are satisfied.

4.10. Non-conforming Uses

- 1) Subject to the provisions of this Bylaw, a building or structure, or use of land, buildings or structures lawfully in existence on the effective date of approval of this

Bylaw may continue to exist.

- 2) A building or structure shall be deemed to exist on the effective date of approval of this Bylaw if:
 - a) it was lawfully under construction; or
 - b) the permit for its construction was in force and effect, but this clause shall not apply unless the construction is commenced within six (6) months after the date of the issue of the permit and is completed in conformity with the permit within a reasonable time;
- 3) No structural alterations that would increase the exterior dimensions, except as required by statute or bylaw, shall be made to a building or structure while a non-conforming use thereof is continued.
- 4) Notwithstanding subsection (3) above, nothing in this Bylaw shall apply to prevent the alteration and/or extension of a single family dwelling existing at the date of passing of this Bylaw in any non-residential zone provided that the number of dwelling units is not increased and provided further that such alteration does not contravene any of the provisions of this Bylaw for such use in a residential zone.
- 5) If a building which does not conform to provisions of this Bylaw is destroyed by a fire or otherwise to an extent of fifty per cent (50%) or more of the assessed value of the building above its foundation, it shall only be rebuilt or repaired in conformity with the provisions of this Bylaw, except if the building or repair work would not be detrimental, in the opinion of Council, to the convenience, health or safety of residents in the vicinity or the general public.
- 6) Any change of tenants or occupants of any premises or building shall not of itself be deemed to affect the use of the premises or building for the purposes of this Bylaw.
- 7) A non-conforming use of land, buildings or structures shall not be permitted if it has been discontinued for a period of twelve (12) months consecutively, and in such event, the land, building or structure shall not thereafter be used except in conformity with this Bylaw.
- 8) No intensification of use or increase in business volumes or activity levels shall be made while a non-conforming use of land, buildings or structures is being continued.
- 9) No increase in the area occupied by the non-conforming use shall occur while a non-conforming use is being continued.

4.11. Lot Frontage

- 1) If a parcel of land in any zone is of such configuration that it cannot reasonably be subdivided in such a way to provide the required minimum frontage on a street, the Council may approve a reduced frontage, provided that the lot width at the building line measures at least as much as the minimum lot frontage for the zone.
- 2) In any zone, lots designed with a reduced frontage along a bend in a street or facing a cul-de-sac, may be approved by Council if in the opinion of Council adequate and safe access is provided and if the lot width at the building line measures at least as much as the minimum lot frontage for the zone.

4.12. Other Information

Council may require an applicant to submit any additional information related to the development, which it deems pertinent, including but not limited to the following:

- a) parking lot layout and internal circulation patterns;
- b) location of garbage containers and description of any screening or fencing;
- c) storm water management plan;
- d) location of open space and amenity areas;
- e) landscaping plan;
- f) buffer zones adjacent to wetland areas or watercourses;
- g) existing vegetation;
- h) easements/right of way;
- i) proposed storage areas and description of any screening or fencing;
- j) traffic impact studies
- k) survey plan
- l) elevation plan.

4.13. Access

- 1) No development permit shall be issued unless the lot or parcel of land intended to be used or upon which the building or structure is to be erected abuts and fronts upon a street or road.
- 2) Notwithstanding Section 4.13 (1) above, Council may approve a development permit for a residential or commercial structure which fronts on a private right-of-way, provided that the following criteria are met:
 - a) no reasonable provision can be made to provide access to a public street,
 - b) safe ingress and egress from the lot can be provided,
 - c) an agreement is registered in the P.E.I. Registry Office, binding on all land owners abutting or fronting on the private right-of-way providing for the long term ownership and maintenance of the right-of-way, such agreement shall be binding on all heirs, successors and assigns of the current property owners.

4.14. Driveway Access

- 1) Driveway access for a through lot may be provided to either or both streets but in no case shall a driveway continue from one street to the other.
- 2) A driveway access to:
 - a) a local street shall be a minimum of 15 metres (50 ft.) from a street intersection;
 - b) a collector street shall be a minimum of 25 metres (80 ft.) from a street intersection;
 - c) an arterial street shall be a minimum of 30 metres (100 ft.) from a street intersection.
- 3) A lot fronting on a collector or arterial street shall be limited to one driveway access

point for every 30 metres (100 ft.) of street frontage or portion thereof.

- 4) Where an entranceway permit is required under the *Roads Act Highway Access Regulations*, its issuance shall be a precondition of the approval of a subdivision or development permit.
- 5) No person shall construct or use any access driveway except where that access driveway meets the minimum sight distance standards as established under the *Planning Act*, the *Roads Act*, or any successor act.

4.15. Development Restrictions

Council shall issue a development permit for a development if, in the opinion of Council:

- a) the proposed development does not conform to this Bylaw;
- b) the method of water supply is not appropriate;
- c) the method of sanitary waste disposal is not appropriate;
- d) the proposed location of structures, water and sewer lines does not hinder future development options
- e) there is not a safe and efficient access to the public highway, street, or road;
- f) the impact of the proposed development would be detrimental to the environment;
- g) the proposed development would create unsafe traffic conditions;
- h) the proposed development would significantly or permanently injure neighbouring properties by reason of architectural disharmony;
- i) the proposed development would be detrimental to the convenience, health, or safety of residents in the vicinity or the general public; or
- j) the proposed development could injure or damage neighbouring property or other property in the Town due to water drainage or other water run-off damage.

4.16. Main Building

Except in an R1 or R2 zone, more than one (1) main building may be placed on a lot in any zone, provided all other provisions of this Bylaw are met.

4.17. Accessibility

Council may, as a condition of granting a development permit, require the applicant to design and develop a structure or provide such facilities as necessary to permit access to the building or structure by physically challenged persons.

4.18. Mixed Use

Where any land or building is used for more than one (1) purpose, all provisions of this Bylaw relating to each use shall be satisfied.

4.19. Yards

Except for accessory buildings, every part of any yard required by this Bylaw shall be open and unobstructed by any structure from the ground to the sky.

4.20. Construction Plans

Council may require the applicant to submit a Construction Plan for the development addressing such details as construction phasing, stockpiling of soil, temporary screening or fencing, erosion or run-off control measures, heavy truck access and any other item which could in the opinion of Council present a nuisance or hazard during construction.

4.21. Permits And Compliance With Other Bylaws

- 1) Nothing in this Bylaw shall exempt any person from complying with the requirements of any other Bylaw of the municipality or from obtaining any license, permission, authority, or approval required by any other Bylaw of the municipality or any legislation or regulation of the Province of Prince Edward Island or the Government of Canada.
- 2) Where the provisions of this Bylaw conflict with those of any other Bylaw of the municipality or regulation of the Province or the Government of Canada, the higher or more stringent provision shall prevail.

4.22. Site Work

No person shall carry out any site work in any zone which, when judged by reasonable community living standards, can be considered improper activity such as to create a nuisance, hardship or other inconvenience to persons in the vicinity.

4.23. Authorization for Inspection

An application for a development permit shall constitute authorization for inspection of the building or land in question by an officer or agent of the Town for the purpose of ensuring compliance with the provisions of this Bylaw.

4.24. Accessory Structures

- 1) Accessory uses, buildings and structures shall be permitted on any lot but shall not:
 - a) be used for human habitation except where a dwelling is a permitted accessory use;
 - b) be located within the front yard or flanking side yard of a lot;
 - c) be built closer than three (3.0') feet (0.9 m.) to any lot line;
 - d) except in an industrial zone, commercial zone or on a farm property exceed fifteen (15.0') feet (4 m.) in height above grade, unless a special permit has been issued by Council allowing a greater height in order to achieve architectural harmony with the main building or within the neighbourhood;
 - e) except in an industrial zone, commercial zone or on a farm property exceed 50% of the total floor area of the main building on the lot;
 - f) be built within seven (7) ft. of the main building on the lot;
 - g) exceed a maximum of two (2) buildings per property.
- 2) All accessory buildings shall be included in the calculation of maximum lot coverage as described in the Lot Requirements for the applicable zone. Satellite dishes, wind

turbines or similar structures greater than 3 feet in diameter shall not be erected in any zone in the Town unless a special permit has been issued by Council.

- 3) Notwithstanding the above provisions, Council may issue a special development permit for an accessory structure located within the front yard or flanking side yard of a lot, where Council is satisfied the structure will be architecturally compatible with adjacent structures and no permanent injury would be caused to adjoining properties, subject to such conditions as Council may impose.

4.25. Garden Suites

Garden Suites (accessory buildings for human habitation which are located in the rear yard of a single-family dwelling) are not a permitted use in the Town.

4.26. Accessory Apartments

An accessory apartment for habitation may be constructed within any existing single family dwelling if the owner of the dwelling, upon written application to the Council, satisfies the Council that all applicable provisions of the Bylaw have been met.

- a) Accessory apartments are permitted within the main building or in an accessory building but in any case shall not be larger than 25% of the gross floor area devoted to the main use;
- b) Accessory apartments shall not contain more than 2 bedrooms;
- c) that adequate off street parking will be provided in the side or rear yard of the building. Parking will not be permitted in the front yard.
- d) that all other provisions of this Bylaw remain applicable to the dwelling and Council may require such changes to the exterior of the dwelling as may be necessary to ensure compliance with this Bylaw, whether in connection with the construction of the accessory apartment.
- e) that any water and sewer upgrades must be reviewed and approved by the Town prior to any construction.

4.27. Permits Posted

All permits shall be posted by the developer in a location easily visible for viewing.

4.28. Moving of Buildings

No building shall be moved within or into the area covered by this Bylaw without a development permit and such other permits as may be required by law.

4.29. Height Regulations

The height regulations of this Bylaw shall not apply to church spires, water tanks, flag poles, lighting standards, television or radio antennae, ventilators, skylights, chimneys, clock towers, wind turbine towers or utility poles.

4.30. Intersection Triangle

When, in the opinion of the Town Council and/or Town safety officials it is considered necessary from a safety, health or other justifiable concern, on a corner lot, a fence, sign, hedge, shrub, bush or tree or any other structure or vegetation shall not be erected or permitted to grow to a height greater than two feet above grade of the streets which abut the lot within the triangular area indicated by the street boundary lines for a distance of 20' (6 m.) from their point of intersection.

4.31. Permitted Uses In All Zones

The following uses are permitted in all zones:

- a) Temporary construction facilities such sheds, scaffolds and equipment incidental to building on the premises for so long as work is in progress or for a maximum period of six (6) months, whichever is the shorter period.
- b) Public and private utility buildings and structures which are considered by Council to be necessary and appropriate to the municipality.

4.32. Construct In Accordance With Application

Any person who has been granted a development permit shall agree to develop in accordance with the information given on the prescribed application form and the conditions laid down by the development permit or development agreement and shall comply therewith.

4.33. Denying Permits

- 1) No development permit shall be issued if the proposed development could create a hazard to the general public or any resident of the municipality or could injure or damage neighbouring property or other property in the municipality, such injury or damage to include but not be limited to water, drainage or other water run-off damage.
- 2) No development permit shall be issued if the proposed development could create a health, fire or accident hazard or increase the likelihood of the existence of rodents, vermin, or other pests.

4.34. Underground Petroleum Storage Tanks

Underground Petroleum Storage Tanks shall require a development permit before installation may proceed. In processing such application, the Town shall refer the application initially to the government authority having jurisdiction for these facilities whereupon such application will be processed in accordance with applicable regulations. The Town will not issue a permit to the Developer until it has received written approval from the appropriate authority. However, the written approval of the latter shall not alone be conclusive of the right to have a permit issued hereunder.

4.35. Outdoor Swimming Pools

The installation of a swimming pool shall be permitted in any zone in accordance with the following provisions:

- a) The land owner shall first secure a Development Permit from Council;
- b) A 6 ft.(1.8 m.)fence or enclosure shall be constructed in such a manner so as to impede unauthorized persons from entering over or under said fence. Such fence shall be aesthetically presentable and preference will be given to wood type fences;
- c) Any gate on such fence shall be capable of being locked;
- d) Disposal of water after de-chlorination shall be either through the sanitary sewer system or carried off by truck unless otherwise authorized by Council; and
- e) The Developer shall agree that other reasonable initiatives regarding maintenance and safety which are reasonable and prudent shall be carried out either at the initiative of the Developer or the Council.

4.36. Surveys Required

Where the Development Officer is unable to determine whether the proposed development conforms to this Bylaw, the Development Officer may require that the plans submitted be based upon a survey certified and stamped by a Licensed Land Surveyor.

4.37. Special Requirements For Semi-detached, Row or Town House Dwellings

- 1) No semi-detached, row or town house dwelling shall be erected in a manner which will not permit subdivision into individual units pursuant to subsection (2).
- 2) Semi-detached and row or townhouse dwellings may be divided independently for individual sale and ownership provided that:
 - a) a subdivision of the parcel of land has been approved by Council (such subdivision to provide for appropriate easements or common area to allow entry by an owner of any portion of the building to his back yard area);
 - b) the units must be separated from the basement floor to the underside of the roof by a vertical masonry fire wall built in accordance with applicable National Building and Fire Code regulations;
 - c) a separate water and sewer service is provided for each unit in accordance with policies governing water supply and sewerage services for the Town;
 - d) a separate electrical service is provided for each unit;
 - e) a separate heating device is provided for each unit;
 - f) separate parking is provided unless Council waives same;
 - g) a copy of any legal agreement made between the owners covering the following terms is registered on the title of each unit:
 - i) common walls
 - ii) maintenance
 - iii) fire insurance
 - iv) easements

- v) parking
- vi) snow removal and
- vii) any other items jointly owned or used.
- viii) any other terms and conditions as shall be imposed by Council.

4.38. Grade of Site

No permanent building shall be erected or placed without first providing existing and proposed grade elevations relative to the adjoining property, and to the public right of way, as well as showing the pattern and allowing for surface water run off on the lot so as not to cause damage or water run off onto adjacent lots.

4.39. Landscaping

- 1) The provision and maintenance of adequate landscape buffering and/or appropriate fencing shall be required to the satisfaction of the Council between residential zones and new commercial, industrial or other land uses characterized by significant traffic generation, the heavy use of trucks, noise, outdoor storage, congregations of people other factors that may adversely affect adjacent residential amenity;
- 2) The provision and maintenance of adequate landscaping shall be required for new development to the satisfaction of the Development Officer;
- 3) Where a C1, C2 or an M1 Zone abuts a Residential Zone along a side and/or rear lot line, a strip of not less than fifteen (15') ft. (4.5 m.) in width along the said side and/or rear lot shall be landscaped to the satisfaction of the Development Officer as part of the development for which a building permit has been granted.

4.40. Petroleum Storage

- 1) Underground gasoline storage facilities shall not be permitted in any residential zone;
- 2) The storage of gasoline on a residential lot shall be limited to 50 litres (13 gallons); and
- 3) All home heat tanks shall be installed according to the regulations listed in the "Environmental Protection Act Home Heat Tanks Regulations"

4.41. Business in Residential Zones–In-Home Occupations

Where a property is used for domestic and household arts, or business and professional offices in a residential zone, the following shall apply:

- a) the dwelling shall be occupied as a residence by the principal operator and the external appearance of the dwelling shall not be changed by the business use.
- b) there shall be no more than two non-resident assistants employed in the business.
- c) not more than 25% of the total floor area of the dwelling shall be occupied by the business.
- d) adequate off-street parking, in accordance with this Bylaw, separate from that required for the dwelling, shall be provided.
- e) there shall be no open storage or display area.

- f) premise signs shall be restricted to a maximum of 400 square inches in total.
- g) domestic and household arts shall include:
 - i) Dressmaking and tailoring
 - ii) Hairdressing
 - iii) Instruction or tutoring
 - iv) Arts and crafts, weaving, painting, sculpture, and repair of garden or household ornaments, personal effects or toys.

4.42. Maximum Lot Coverage

Maximum lot coverage shall be determined as the percentage of the lot covered by the main building, attached or detached garage and any accessory buildings.

4.43. Recreational Trailers or Vehicles

No person shall use or occupy a Recreational Trailer or Vehicle other than in an approved Campground, for a period in excess of two full weeks, unless Council has issued a temporary permit for such use.

4.44. Mobile Homes

Mobile Homes shall not be permitted to be located within the municipality, other than in a designated Mini Home Park.

4.45. Bed and Breakfast

Bed and breakfast establishments shall be permitted to operate in any single family residence in any residential Zone subject to the following:

- a) the dwelling shall be occupied as a residence by the principal operator and the external appearance of the dwelling shall not be changed by the bed and breakfast operation;
- b) not more than three (3) rooms shall be offered for overnight accommodation;
- c) adequate off-street parking, in accordance with this Bylaw, separate from that required for the dwelling, shall be provided. This requirement may be waived where Council deems there is adequate on-street or off-street parking capacity in the area.
- d) premise signs shall be restricted to a maximum of 900 square inches;
- e) notwithstanding 4.45 (b), Council may allow a larger number of rooms, where it is deemed that such a development is appropriate and there would be no significant inconvenience or nuisance to adjoining properties.

5. Parking Requirements

5.1. Preamble

For every building to be erected, placed, used or enlarged, there shall be provided and maintained off-street parking on the same lot to the extent, at least, prescribed in this Section.

- 2) No building or structure having a proposed agricultural or industrial use shall be constructed within one hundred and fifty (150) feet of any watercourse or wetland

measured from the landward boundary of a wetland or the high water mark of a watercourse to the nearest exterior part of the building or structure.

- 3) If Council, after consultation with the staff of the Minister responsible for the Environment, determines that the minimum setback required under this section is not sufficient to protect the watercourse from the adverse impact of contaminants discharged lawfully or unlawfully from the proposed buildings or structures, Council, in issuing a development permit, may stipulate that the building or structure be located at some greater fixed distance from the watercourse.
- 4) This section does not apply to buildings or structures used for fishing or bait sheds, aqua-culture operations, boat launches, structures or buildings on a wharf, or wharf structures, but Council, in issuing a development permit, may stipulate that the building or structure be located some fixed distance from the watercourse or wetland.

18. Minor Variance

18.1. Minor Variance

- 1) Council may authorize a minor variance not exceeding 10% from the provisions of this Bylaw if the variance is desirable and appropriate, and if the general intent and purpose of this Bylaw is maintained.
- 2) Authorization for a minor variance shall be documented and recorded in writing.
- 3) No variance shall be granted where the difficulty experienced is the result of intentional or negligent conduct of the applicant in relation to the property.
- 4) Notwithstanding any other section of this Bylaw, Council may authorize variances in excess of ten (10%) percent variance from the provisions of this Bylaw if Council deems such a variance desirable and appropriate and if such variance is in keeping with the general intent and purpose of this Bylaw.
- 5) Where Council deems that a variance application could have a significant effect on adjacent properties or properties in the general vicinity, Council may require that a public meeting be held.

19. Amendments

19.1. Application for Amendment

Any person desiring an amendment(s) to the provisions of these Bylaws shall apply to Council, in writing, describing, in detail, the reasons for the desired amendment(s) and requesting Council to consider the proposed amendment(s).

19.2. Application for Re-Zoning

- 1) Any application for re-zoning shall be deemed to be an application to amend these Bylaws.
- 2) Any application to re-zone shall include a legal description of and the location of the property/properties to be re-zoned, the name and address of the owners of the property/properties and, if the applicant is not the owner, a statement as to the applicant's interest in the property.

19.3. Amendment Fee

- 1) Any application for an amendment shall be made, in writing, along with a non-refundable application fee according to the fee schedule set by Council to the Development Officer.
- 2) If the amount paid by the applicant is not sufficient to cover the costs of notifying affected property owners and other expenses related to the cost of the amendment, the applicant shall pay to the Development Officer the additional amount required, before Council gives final approval to the amendment; or if the amount paid is more than sufficient, the Development Officer shall refund the excess amount.

19.4. Notice to Property Owners

- 1) When an application has been received for a re-zoning, the Administrator shall notify all affected property owners within a five hundred (500) foot (152 metre) radius of the subject property of the application.
- 2) This notification of affected property owners set out in clause (a) shall be in addition to the advertisements for the public hearing, and shall be delivered to all affected property owners at least seven (7) clear days prior to the date fixed for the public meeting.

19.5. Council's Review

- 1) Council shall determine whether or not to pursue such an amendment, and before making any decision shall examine the Official Plan to ensure that the proposed amendment will not be contrary to any policy within the Official Plan.

- 2) No amendment shall be made in these Bylaws which would be contrary to any policy of the Official Plan without a review and amendment of the Official Plan in accordance with the requirements of Section 18 (2) of the ***Planning Act*** (1988).

19.6. Public Meeting

- 1) No amendment shall be made to the provisions of these Bylaws unless Council provides for adequate public notice and a public meeting pursuant to the provisions of the ***Planning Act***.
- 2) At any public meeting called in respect of a proposed amendment(s) to these Bylaws, Council shall preside, the person proposing the amendment or their designate shall describe and defend the proposed amendment, and the opinions of any person shall be heard for consideration by Council.
- 3) Council shall instruct the Development Officer to notify the applicant that the proposed amendment to these Bylaws has been approved or denied. Where a proposed amendment to these Bylaws has been denied by Council, the reasons for the denial shall be stated, in writing to the applicant.
- 4) Council shall not entertain any new application for the same proposed amendment(s) to these Bylaws for a period of one (1) year from the date of previous application of proposed amendment to these Bylaws.

20. General Provisions for Subdividing Land

20.1. Subdivision Approval

- 1) No person shall subdivide one or more lots or any portion of a lot and no person shall consolidate two or more parcels of land until the conditions of this Bylaw have been complied with and the applicant has received final approval from the Council.
- 2) No person shall sell or convey any interest in a lot in a subdivision before Council has issued a stamp of approval for the subdivision in which the lot is situated.

20.2. Permission to Subdivide

No person shall subdivide land within the Town unless the subdivision:

- a) conforms with the requirements of this Bylaw;
- b) is suitable to the topography, physical conditions, soil characteristics, and natural and surface drainage of the land;
- c) will not cause undue flooding or erosion;
- d) has convenient street access;
- e) has adequate utilities and services available or can be conveniently provided with such utilities and services;
- f) will reasonably conform with existing land use in the immediate vicinity;
- g) will provide for safe and convenient traffic flow;
- h) is designed so that lots will have suitable dimensions, shapes, orientation and accessibility;
- i) is suitable to the use for which it is intended, and the future use of adjacent lands; and,
- j) the parcel of land in respect of which the permit is requested has frontage on a public road or a private right-of-way established pursuant to Section 4.11 of this Bylaw.

20.3. Changes to Existing Lots

- 1) No person shall reduce the dimensions or change the use of any lot in an approved subdivision where Council deems these would be a detrimental effect on neighbouring property owners.
- 2) Where an application to subdivide land would change the dimensions or the use of a lot in an existing approved subdivision, Council shall notify all property owners within 500 feet (152 metres) of the boundaries of the lot in writing, informing them of the details of the application and soliciting their comments.

20.4. Special Requirements- Agricultural Reserve (A1) Zone

- 1) Within an Agricultural Reserve (A1) Zone, no person shall be permitted to subdivide from any existing parcel of land more than two (2) lots.
- 2) For the purposes of this Section “existing parcel” shall mean a parcel of land which was held in separate ownership as of January 25, 1989
- 3) No person shall establish more than one access driveway for each 10 chains (660 feet) of property frontage on a highway.
- 4) Any lots subdivided pursuant to this Section shall conform to the lot requirements for an A1 Zone and all other relevant provisions of this Bylaw.
- 5) Within an Agricultural Reserve (A1) Zone:
 - a) A residential subdivision shall not be permitted within five hundred (500) ft. (150 m.) of an existing intensive livestock operation.
 - b) Where a residential subdivision is proposed, Council shall notify operators of intensive livestock operations within 1,000 ft. (300 m.) and invite their comments.
 - c) Where a new intensive livestock operation is proposed within 1,000 feet of an existing residential subdivision Council shall notify the property owners and invite their comments.

20.5. Procedure

- 1) Any person seeking Council's approval of a subdivision shall first make application for preliminary approval, and shall be required to submit, along with the application, six (6) copies of a preliminary subdivision plan drawn to scale showing:
 - a) the true shape and dimensions of every lot;
 - b) the location of every existing building or structure on the parcel;
 - c) existing and proposed services and utilities;
 - d) proposed widths and locations of all streets;
 - e) location of land proposed for recreation and public open space use; and
 - f) the existing use of the land and all immediately adjacent properties, showing buildings, fields, streams, rivers, swamps, wooded areas and areas subject to flooding or erosion.
- 2) Council may also require the applicant to provide additional information required to assist it in evaluating a proposed subdivision, including, but not limited to:
 - a) a soil test conducted in a manner acceptable to Council;
 - b) contours and spot elevations;
 - c) traffic surveys.
- 3) Council may refuse to approve a subdivision which is un-suitable under the provisions of this Bylaw. In formulating its decision, Council may consult with government officials and private consultants and may conduct a public hearing to consider public opinion.
- 4) Council shall evaluate any proposed subdivision to determine whether appropriate street design standards and lot configurations have been used to promote the

development of safe, convenient and pleasant neighbourhoods.

20.6. Parkland Dedication and/or Park Dedication Fee

- 1) Council may require, for the purpose of developing parkland, that up to 10% of the lands being subdivided be conveyed to the Town. Council shall determine the physical condition and location of parkland.
- 2) When a dedication of land is not deemed to be appropriate or the exercising of the full ten percent (10%) conveyance is not appropriate. Council may impose a park dedication fee up to a maximum of 10% of the value of the lands being subdivided, which sum shall be specifically designated for the purchase, development or maintenance of public parklands in the Town. It is understood that the park dedication fee shall be calculated on the then current assessed value of lands being subdivided and shall not take into account value of structures on such lands. Council retains the right to consult with other levels of government or with a professional land appraiser in determining the value of land.

20.7. Subdivision Agreement

Council may require an applicant to enter into a sub-division agreement as a condition of subdivision approval. The subdivision agreement may cover any matters as required by Council and may include, but not be limited to the following:

- a) design and construction costs of sidewalks, water supply, sanitary and storm sewers, roads, and street lighting;
- b) dedication of land for recreation and public open space purposes, or payment of a fee in lieu of land;
- c) deeding of roads to the Department of Transportation and Public Works;
- d) posting of a financial guarantee satisfactory to Council;
- e) provision of a controlled landscape plan and storm water management plan to facilitate the drainage of water and to guard against flooding of lots within the subdivision and adjacent properties;
- f) provision of such services, facilities or actions as are necessary to ensure the satisfactory development of the subdivision; and
- g) provision for the phasing of the subdivision.
- h) preservation and enhancement of surface water drainage systems.

20.8. Final Approval

- 1) Final subdivision approval shall be granted by Council only after the applicant has complied fully with all applicable requirements of this Section and has submitted six (6) copies of a final survey plan showing all lots pinned and certified by a surveyor registered to practice in the province. Council may grant final approval to part of a subdivision which is proposed to be developed in phases.
- 2) Council shall give notice of final approval of a subdivision in writing, and shall place its seal on the five copies of the survey plan and shall return one copy to the sub-divider.

- 3) Council shall file a copy of the final survey plan with:
 - a) the Registrar of Deeds
 - b) the Department responsible for Transportation
 - c) Council files
 - d) Local utilities, as required.

20.9. Severances/Consolidation

Notwithstanding the above provisions, Council may approve applications for single lot subdivisions, partial lots or easements and lot consolidations at its discretion, having regard for only those provisions which it deems applicable to each individual application, provided the application conforms with all other Sections of this Bylaw.

20.10 Building Permits

A building permit shall not be issued in a subdivision until all the requirements of the subdivision approval have been fulfilled.

21. Penalties

A person who violates any provision of this Bylaw is guilty of an offence and liable on summary convictions.

- 1) In the case of a first or subsequent offence, to a fine not exceeding one thousand (\$1,000.00) dollars in each case together with the cost of prosecution and in default of payment of the fine and costs, to imprisonment for a term not exceeding three (3) months, unless the fine and costs of enforcing the same, are sooner paid.
- 2) Where the offence is a continuing offence, to a fine not exceeding two hundred (200.00) dollars for every day the said offence continues, together with the cost of prosecution, and in default of payment of the fine or costs, to imprisonment not exceeding three (3) months, unless the fine and costs of prosecution are paid within the time provided by the court.
- 3) The Judge presiding on any prosecution under this Bylaw may fix the costs of prosecution to be paid by the person found guilty hereunder.

22. Repeal

22.1. Effective Date

This Bylaw shall come into force effective

22.2. Repeal

Any previous Town of Kensington Zoning and Subdivision Control Bylaw are hereby repealed.
